Dedicated To

Lt. Col. James W. Quinn

Col. Quinn maintains constant surveillance of the school grounds, especially the cafeteria. The Colonel smiles at the start of another school day.

James W. Quinn, U.S.M.C. Ret.

Jim Quinn: **Semper Paratus.**

**Colonel Quinn Was prepared** for his work at Jesuit High School  
by the loving care of his mother and father,  
by his education at Fordham University,  
by his friendship with Vincent Lombardi,  
by his tour of duty in the United States Marine Corp.,  
by his wife, Gen, and his children,  
by God's holy providence.

**Colonel Quinn was prepared** for his work at Jesuit High School,  
by his personal characteristics: integrity,  
honesty,  
dedication,  
single-mindedness,  
intensity,  
charity,  
faith in his God and in his fellow humans.

**Colonel Quinn has been prepared** since at Jesuit High School  
to counsel young Blue Jays,  
to serve the faculty,  
to talk at retreats,  
to run assemblies,  
to be present at extracurricular events,  
to undertake the least desirable tasks,  
to be an example,  
to sacrifice,  
to teach,  
to lead,  
to do whatever was asked of him by his students,  
by his peers,  
by his Principal and President.

**Semper Paratus** presents a difficult challenge;  
Jim Quinn has neither shrunk from nor failed to rise to that challenge;  
the simple reason for this; his constant motive, which is stamped on  
his heart and in all of his works, is A.M.D.G. — for the greater glory  
of God.

Hundreds of young men will grow up **well prepared** and **always prepared**  
because Jim Quinn who knew them, guided them, led them and loved them.

Harry Tompson, S.J.

# Is Jesuit

Students and Father Partridge celebrate the Mass  
Number One!

The word harmony is most often defined as the agreement of feelings, ideas, or actions. Ever since 1847, when Jesuit High School made its first appearance in New Orleans as the College of the Immaculate Conception, there has been a pervading sense of harmony throughout the school. This is due mostly to the fact that there is such a great amount of interaction between administration, faculty, and students. This is evident in all aspects of community life at Jesuit. It is apparent in the classrooms, at the school masses, on the playing field, and at all extracurricular activities. Everyone at Jesuit works together. This unity produces harmony at Jesuit.

Mr. Baricos works in his newly created office

The history of the 1982 renovations began when then principal, Father John Kaack, announced the need for six additional classrooms for the increased school population. At about the same time, the rector of the Jesuit community, Father Anthony Ostini, suggested that the Jesuits might experience community living better if they were to move to the top three floors of the rectory building. Thus, the three bottom floors of the building were made available for the needed classroom space.

These renovations were begun soon after Christmas. The third floor of the building now houses St. Ignatius Hall, a beautiful two story room which was once the Jesuit Fathers' library. The President, his assistants, the secretaries, and the alumni office are all housed on this floor. On the second level, six counseling of-

fices were created. The finance office, the registrar's office, the Principals' offices, and a faculty lounge were moved to this area. The first level of the rectory now houses four new classrooms, a parlor for the Jesuits, a bazaar room, and the maintenance shop. Additional improvements on the residence wing include a stair well which affords egress for all Jesuits living in the wing. At the same time, the building was brought up to fire code standards.

Finally, rooms vacated by the President and his staff, the Principal and his staff, and the counselors were turned into six beautiful classrooms. The total cost of the operation was \$650,000.00. When the students and staff returned on August 15, 1982, it was to a beautifully renovated and more spacious building.

# ORGANIZATIONS

# Annual

With most of the dedicated members returning from last year, in addition to the arrival of several new members, this year's staff began its efforts in August to produce another award-winning yearbook under new moderator, Ms. Gale Kelner.

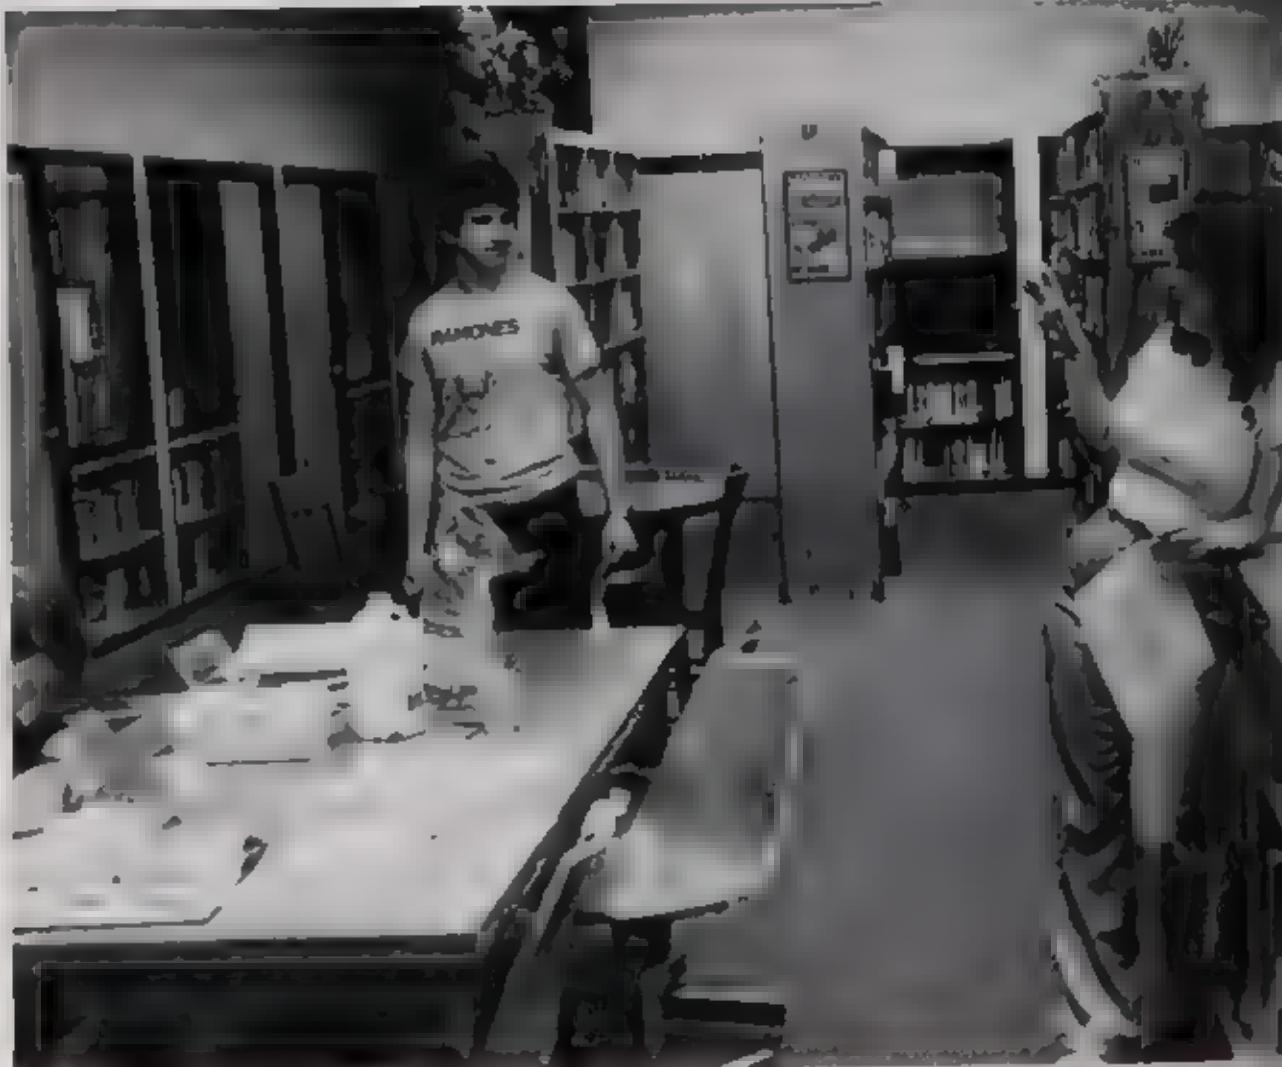

This year's theme of "Harmony" was chosen because it describes the smooth efficiency of the entire Jesuit High School community.

The purpose of the **Blue Jay** is to accurately reflect the people, places, and events of the school year; and the cooperation and participation of the entire school community makes this possible. The **Blue Jay** and annual staff have been and always will be recognized as a vital link in the harmonious body known as Jesuit High School.

# Band

The Blue Jay Band marches on!  
Junior Steve Hayman practices in the schoolyard

Band is one of the Blue Jay extra-curriculars which requires a large amount of time and participation throughout the entire academic year, as well as throughout the summer. Officially, band begins in August, in preparation for football season. Obviously, this takes dedication. For band members, football season represents long hours of rehearsals. Officers for the past year were Victor Gonzalez, band captain; Mark Hattier and Ken Boe, drum majors; and David White and Nabil Al-Tikriti, band managers. Other officers include Sal Bernados, Pat Dugan, Stephen Hayman, John Barousse, Charles Rondeau, John Alberts, Derek Anderson, and Joe Nesser.

Under the direction of Mr. B. J. Perez, the band has been rebuilt. Mark Unbehagen has made the marching band what it is today.

Band provides many outlets for students interested in musical performance. Concert Band, Jazz Band, Marching Band, and Play Band. Everyone entering

the band grows a little more, due to the example set by its directors. Hardly a week goes by that the band has neither performed nor been preparing for a performance. Any time during the school year, music can be heard coming from the bandroom or from the yard. Great accomplishments have been achieved by the band and its members; such as ratings of excellent in Concert and Marching Band, many individual superior ratings, and praise from all audiences. Each Band member realizes that the band's accomplishments reflects his efforts and especially those of the directors. No one really realizes the amount of effort that each band performance requires. Greater than any award the band receives is the feeling of satisfaction that each student receives upon hearing the ovation following each and every performance. Quoting Mr. Perez, "It's all in your attitude."

# Blue Jay Shop

Alvin Magraff, Scott Senner, Mr. Chesney, S.J., Jorge Diaz

Aided by student workers, Mr. Chesney, S.J. distributes the Jesuit line of P.E. uniforms, tee-shirts, sweatshirts, scarves, caps, pins, golf shirts, and even socks. For every season of year and for every sporting season, the Blue Jay Shop has clothing and accessories for avid Jesuit fans and their families.

The Blue Jay Shop congratulates the class of 1983 and hopes they will think of Jesuit every time they wear the Blue Jay insignia.

# Bookstore

Rick Redmann, Matt Mittelbronn, Octave Picot, Mark Abadie, Chris Bazin

Brother Booth has been in charge of the bookstore since the 1975-76 school year. The students who work in the bookstore to assist Brother Booth are hand-picked by him. They help in setting up the first floor classrooms in preparation for booksales and are allotted times before school or during lunch for duty.

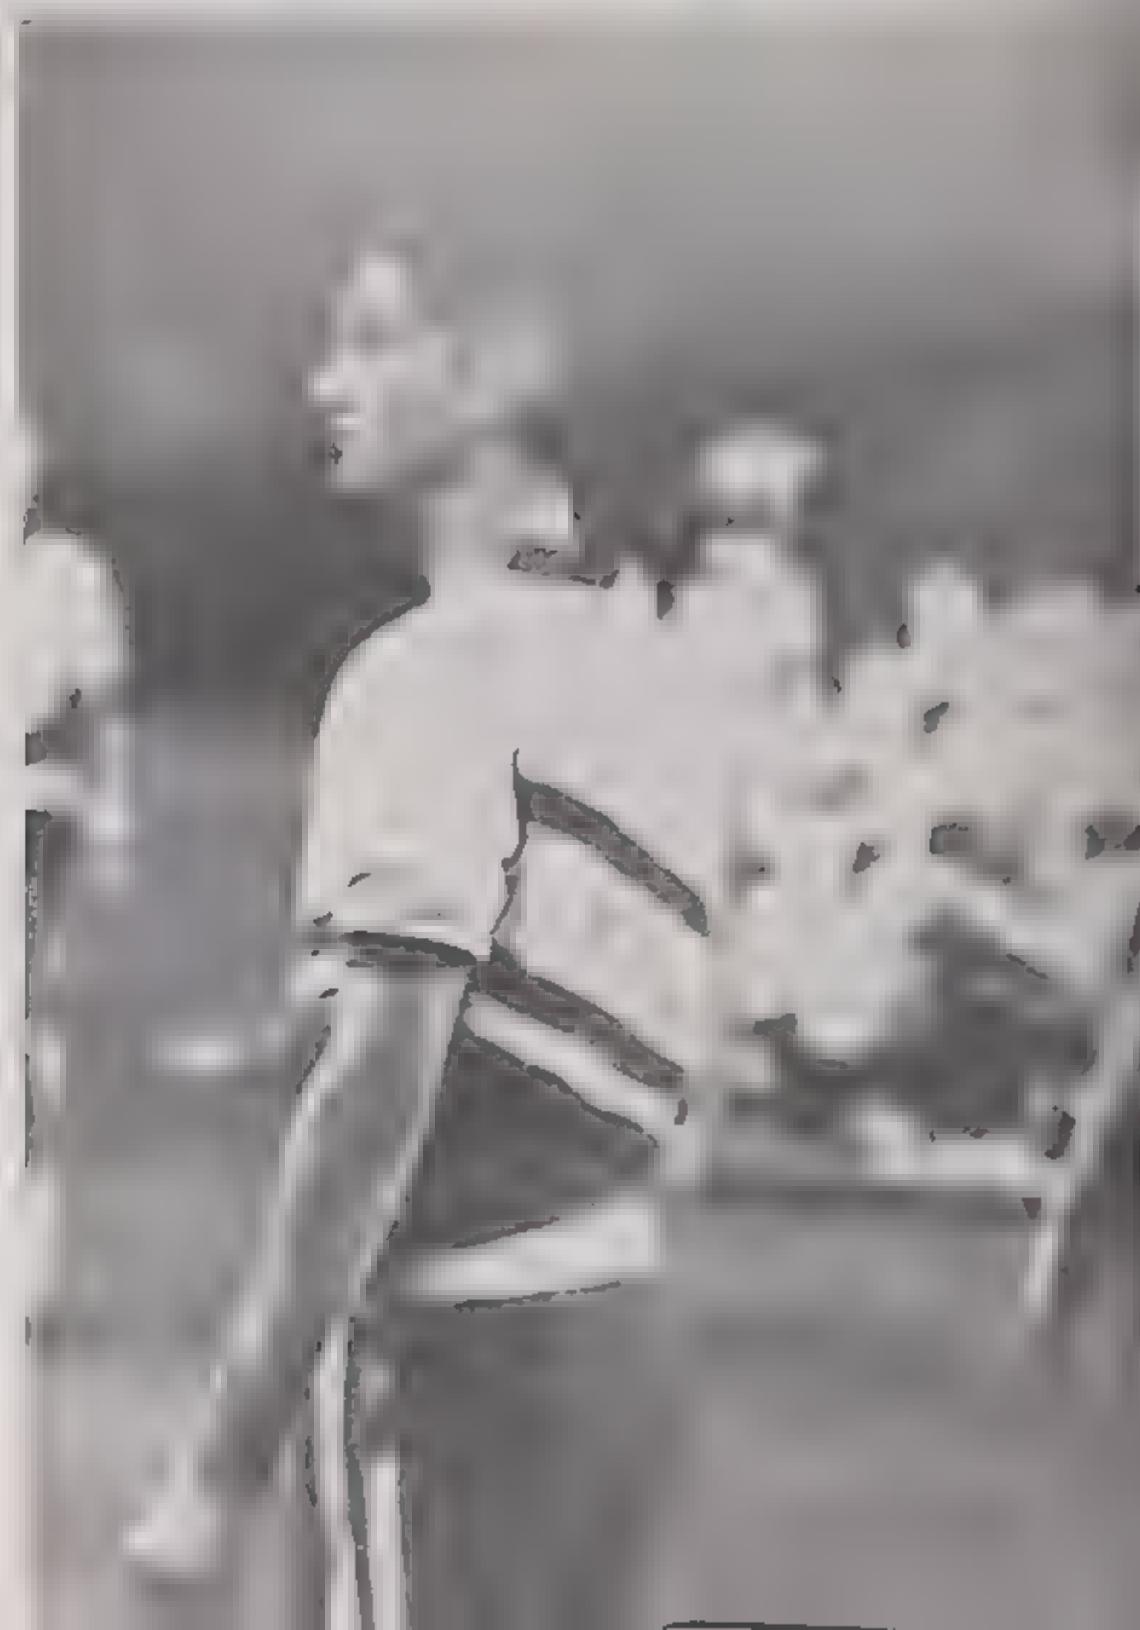

The purpose of the bookstore is to assure prompt delivery of texts and novels to all members of the Jesuit student body. Prices are kept as low as possible, and the convenience of the in-school bookstore is a great help to all.

## Cheerleaders

The Jesuit cheering squad begins preparation for the football and basketball seasons in the preceding spring. Both the male and female members of the squad will have attended a certified cheering clinic sometime in their career. Practice for the football season begins in the summer, with practices being held several times a week all summer long.

The Cheerleaders are an integral part of the generation and manifestation of the "Blue Jay Spirit." Cheering at games, conducting pep rallies, painting signs, and distributing spirit paraphenalia are among some of the tasks Jesuit Cheerleaders engage in in their roles as ambassadors of spirit and good will for Jesuit.

The Jayettes consist of a select group of girls from various high schools in and around the New Orleans area. They practice every Wednesday throughout the summer and school year to perform at activities such as football games, basketball games, and Mardi Gras parades.

The 1982-1983 team participated in two summer camps, both of which lasted one week. One was held at Jesuit High School where the girls worked very hard to learn new dance routines for the upcoming school year. The Jayettes then learned to work with the band to perfect routines when they attended camp in Waveland, Mississippi.

Being a member of this dance team requires a lot of hard work and determination, but it is a rewarding experience.

The C. L. C. of Jesuit was involved in various service projects this year. A group of students worked first semester at Methodist Home Hospital. The C. L. C. is able through this work to reach children in very difficult home situations.

The C. L. C. also coordinated Starvation Awareness Day so that Jesuit High was able to participate in that city-wide effort.

The C. L. C.'s membership was increased this year by a group of eighth graders and some new upper classmen.

During the 1982-83 season, Jesuit's Chess Team continued to defend its first place rank among the schools of the New Orleans Chess League. The team managed to win over 90% of their games played against such adversaries as Ben Franklin, Rummel, McDonough 35, and East Jefferson. This year Jesuit's team finished first in the season and went on to play in the city and state championships. The Chess Club meets daily for practice in room 311 during lunch; and, according to Team Captain Mark Schulingkamp, winner of the Most Valuable Player Award, there are many promising new players among the underclassmen

The primary focus of the computer club is to learn simple BASIC programming including graphics. Those students who are not registered in a computer science class are given an opportunity to become familiar with computers and computer programming. # Debate

The debate team of Jesuit concentrates its efforts on the pursuit of greater analytical and reasoning skills. The methods involved in accomplishing its goals include many hours of research at the nearby university libraries and practice debates throughout the year. Intensity of desire and effort describes Jesuit debaters, and the result of such intensity is a vast expansion of one's knowledge and policy analysis.

The forensic aspect of the Debate and Speech team consists of Extemporaneous Speaking, Student Congress, and Team Debate. Notable achievements in all of these events have been made in inter-school competition by the Jesuit squad. Don Miester consistently ranked highly in Extemporaneous Speaking and represented Jesuit at the National Forensics Tournament in Chicago. Erik Dyhrkopp finished the year with a second place at the district tournament in Student Congress. Rusty Harold and Lee Estingoy got to the semi-final round of debate at the Vanderbilt and Loyola University Tournaments, and the team of Erik Dyhrkopp and Don Miester made it to quarter-finals at Loyola and placed fifth in the district competition.

In the Junior Cross-Examination Debate Division, David Patron and David Raphael took second place at two tournaments. The Junior team of Sean Ryan and Jorge Bravo took second at one tournament and ended the year with an excellent performance in the Advanced division at district competition.

Such achievements are the result of the dedication and hard work put forth by the entire team. Through continued sup-

# Intramurals

With an emphasis on athletic competition, intramurals offer students an opportunity to display their athletic prowess while competing in a team-oriented atmosphere. Students learn to cooperate well with others as different homerooms compete for their respective class level championships. Then, after class level victors are crowned, division championships are decided as juniors and seniors vie for the senior division title, while freshmen and sophomores struggle for the junior division laurels. Officers of this year's intramurals were Brett Schwartz, President; Tom Capella, Vice-President; and Dickie Dupre, Vice-President.

# Jayson

With a talented and experienced staff guiding its course, the **Jayson** was an informative and, at times, controversial publication during the 1982-83 academic year.

As in the past, the **Jayson** covered every significant news event which occurred at Jesuit — from Homecoming, to the Open House for prospective students, to the Annual Blue Jay Bazaar. It also attempted to provide its readers with more in-depth reporting on sports events and human interest features. Editorials tended to be more critical of both students and administrators than in years past, as did letters to the editor.

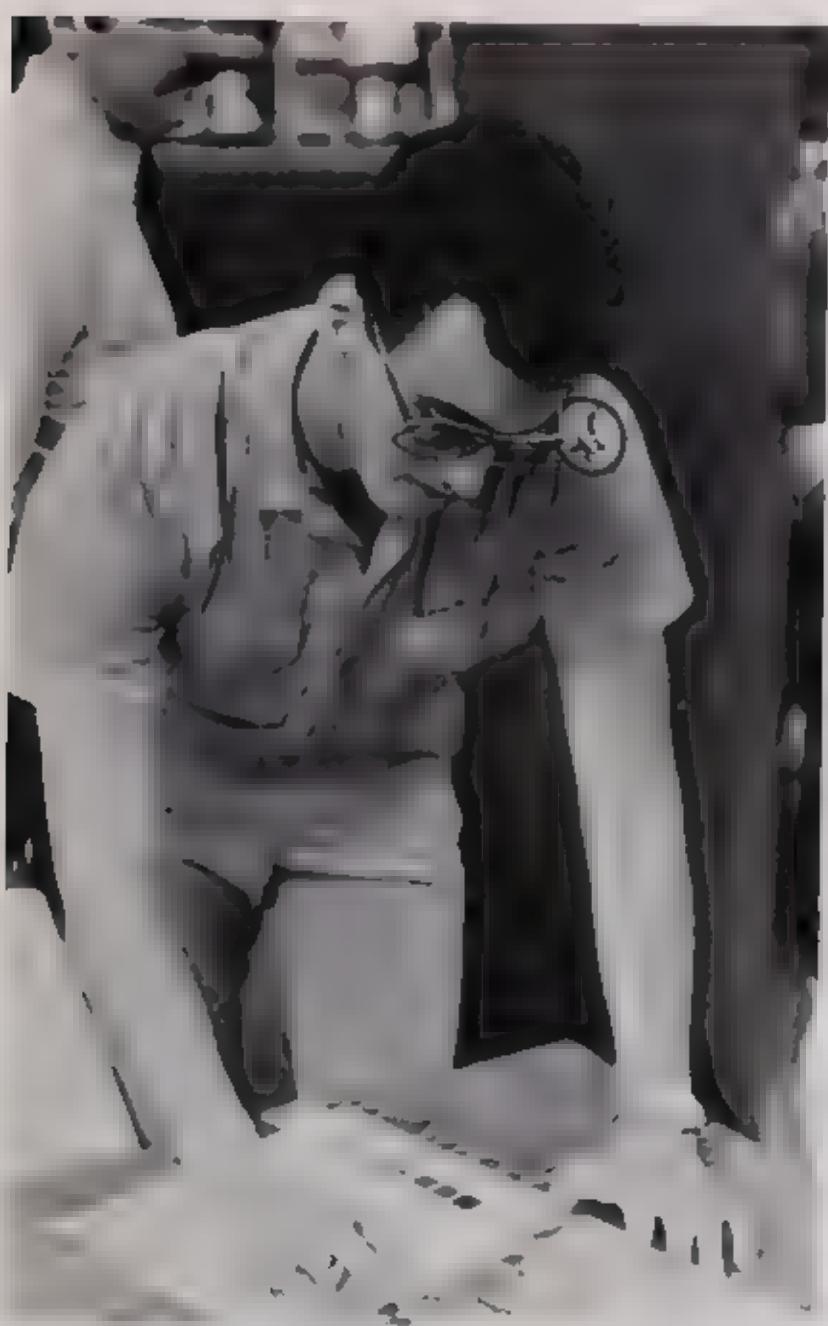

One of the highlights of the year was the awarding of certificates of merit from the Louisiana State University School of Journalism for the **Jayson**'s participation in LSU's annual high school photography contest. The **Jayson** took the top three spots in the sports photography contest, and also received awards for news coverage and layout.

# French Academy

The French Club, or *Les Copains*, meet once a month on a regular basis. This year *Les Copains* participated in many activities. In October, *Les Copains* went horseback riding in Picayune, Mississippi. A weekend trip was held in November when club members attended the French Club Convention in Lafayette. Activities were held in conjunction with local girls' schools' French Clubs: a Christmas party, a volleyball game and King Cake party in January, viewing of "Le Petit Prince," and an end-of-the-year picnic. In April the members attended the French Language Camp in Alexandria, Mississippi. Under the leadership of James Whitlow, President; Torin Normand, Vice-President; and Louis Dapaquier, Treasurer, the French Club had a very active and successful year.

Members of the French Club enjoy a leisurely saunter on horseback.

# Spanish Club

This year the group formerly known as the Spanish Academy changed its name and its program. The new Spanish Club promotes interest and activities in Spanish and Latin American studies and culture. This year's calendar included a song fest at O. Perry Walker High School, a Mass in Terrytown with Fr. Pedro Nunez, a tour of the French Quarter, dinner of Hispanic foods, and participation in the city-wide Foreign Language Fair.

In 1982-1983 the German Academy was composed of students enrolled in German who were interested in investigating aspects of German culture and civilization related to but outside of the realm of the classroom. Activities included a trip to the Oktoberfest at Willy Coln's restaurant; a visit to the photographic exhibit of the work of Alfred Eisenstaedt at the ITM Building; a stereo video concert of Christmas music on the school's newly acquired projection TV; an evening at the Prytania Theater with the German Club of Ben Franklin to see

the Fassbinder film, "Lola", a field trip to the New Orleans Museum of Art to see the German paintings on loan from the Museum of Modern Art in New York City; and a screening of the popular German film, "Das Boot." Outstanding members of the club were Seniors Dan Senentz (winner of the 1982 study trip to Germany) and Bill Moran; Juniors Sean Mustakes, Shawn Richard, and John Wyka; Sophomores John Dildy and Paul Odenwald; and Freshmen John Appa, and Greg Bazin

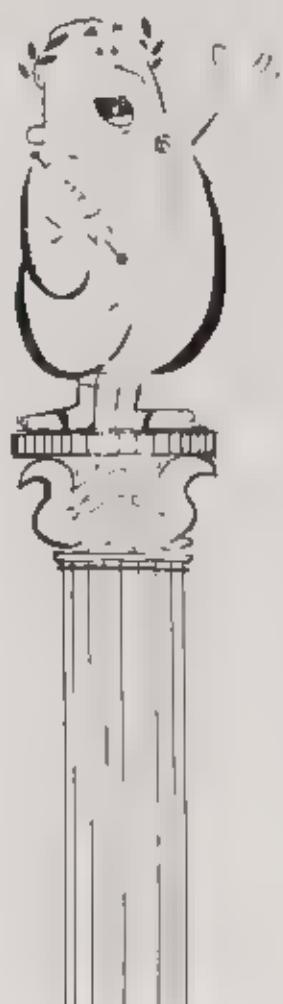

# Junior Classical League

The Jesuit chapter of the National Junior Classical League is an organization dedicated to the study of Latin and Greek. Both the languages and cultures of these ancient civilizations are studied. While most of the activities take place at school, the organization does take field trips; such as the recent one to see "Search for Alexander" at the New Orleans Museum of Art. The basic purpose of the Junior Classical League, however, is to foster intellectual pursuit and study of the Latin and Greek languages. Jesuit has a long tradition in these studies.

Mr. Smith joins Gaming Society members in a game of **Risk**.

The Jesuit Gaming Society is a group which is dedicated to the art of "gaming." A wide range of games is played. Some members play fantasy role playing games such as **Dungeons and Dragons**, **Boot-Hill**, **Traveler**, and **Top Secret**; while others find war games such as **Third Reich**, **1776**, and even **Risk** to their liking. Almost all the games played are based on die rolls which, in one way or another, give percentage chances of various occurrences. In some games a player fights an ancient red dragon, while in another he is Churchill battling the advancing German army. Depending on the players' taste, he can be involved in an old

Western shoot-out or a fight with lasers and proton torpedoes. All the games are both fun to play and challenging to the mind. Nothing can beat a combination like that.

The Society was founded in the 1979-1980 school year by James Blanchard. Jim has served as society president since the Society's inception. The Gaming Society started with just a handful of players, but now consists of about fifty members. Any-one is eligible to join the Society; he only needs to want to "game."

# Math League

The Mathematics League participates in two meets during the school year, competing against area schools in five selected areas from the field of mathematics. A maximum of ten students may enter, with no more than three from any one grade level competing.

This year's team managed a third place finish in the fall competition at Chapelle High School. In the spring tournament, again at Chapelle, the students finished a close second just ahead of Rummel High School. The 1982-83 Math League Team showed tremendous improvement over the year. Jesuit High School should once again be considered a top contender in future competitions.

# National Honor Society

Membership in the National Honor Society is a high honor. Only those students who fulfill the following criteria are eligible for membership: **SCHOLARSHIP**: Members must have a 3.5 (Seniors) or a 3.7 (Juniors) GPA; **CHARACTER**: Members must be judged by a vote of the faculty to be of "outstanding" character; **SERVICE** and **LEADERSHIP**: Members must belong to at least one Jesuit club or team.

The Members of the National Honor Society are inducted into the society at an official Mass and reception. Everyday of the school year, beginning in the third week of the first quarter, members tutor students in all subjects of the curriculum. Thus, both members of the National Honor Society and members of the Jesuit school profit from the services of these dedicated students.

# Philectic Society

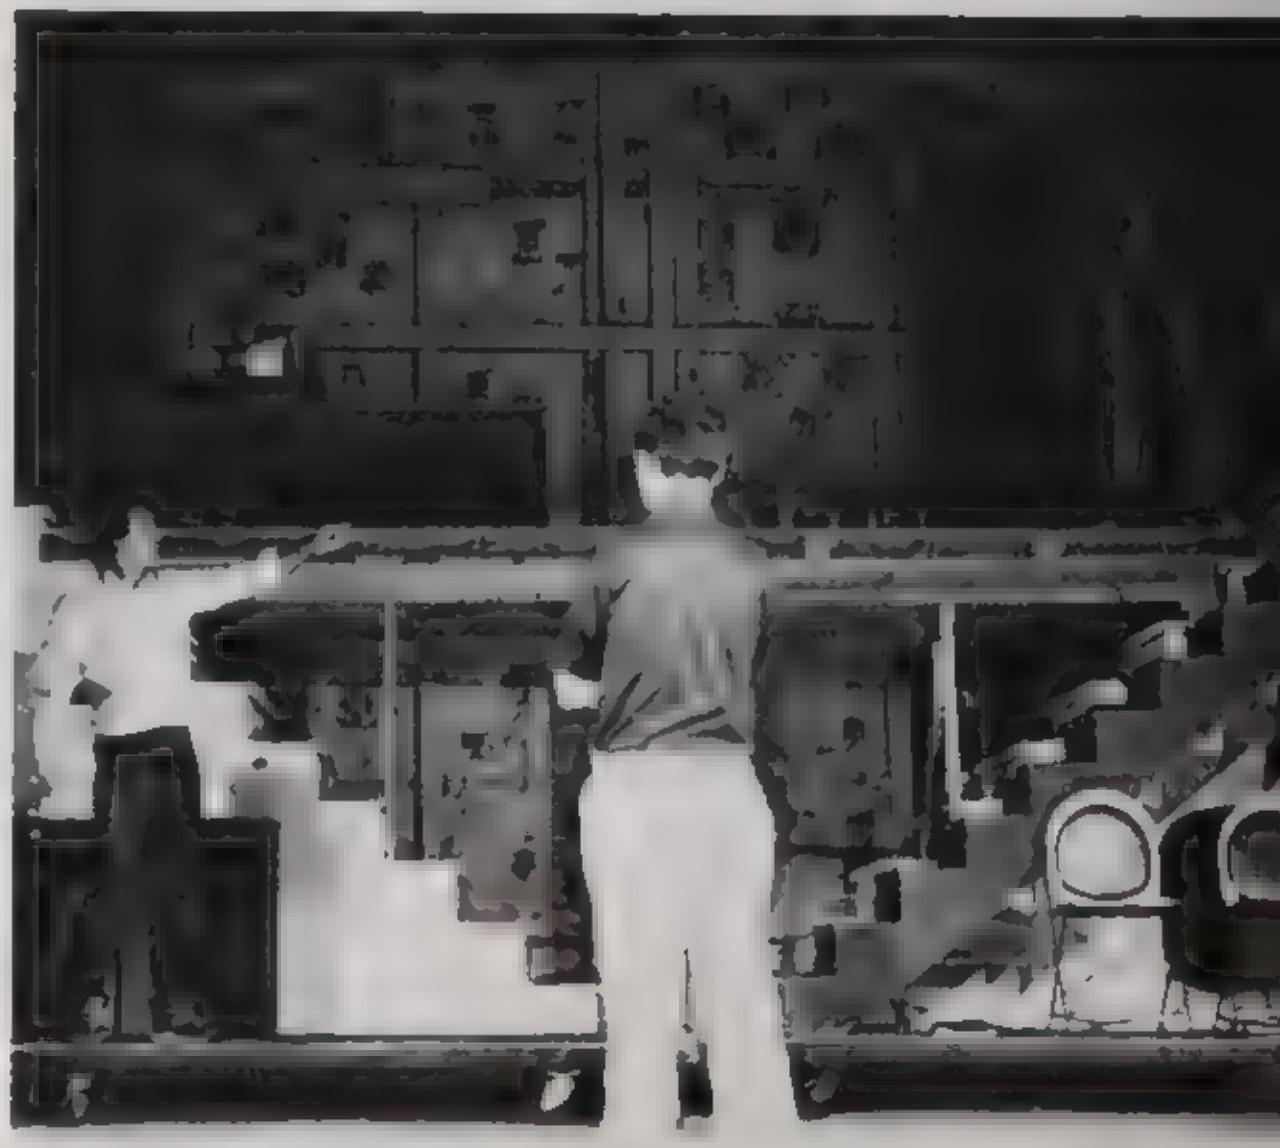

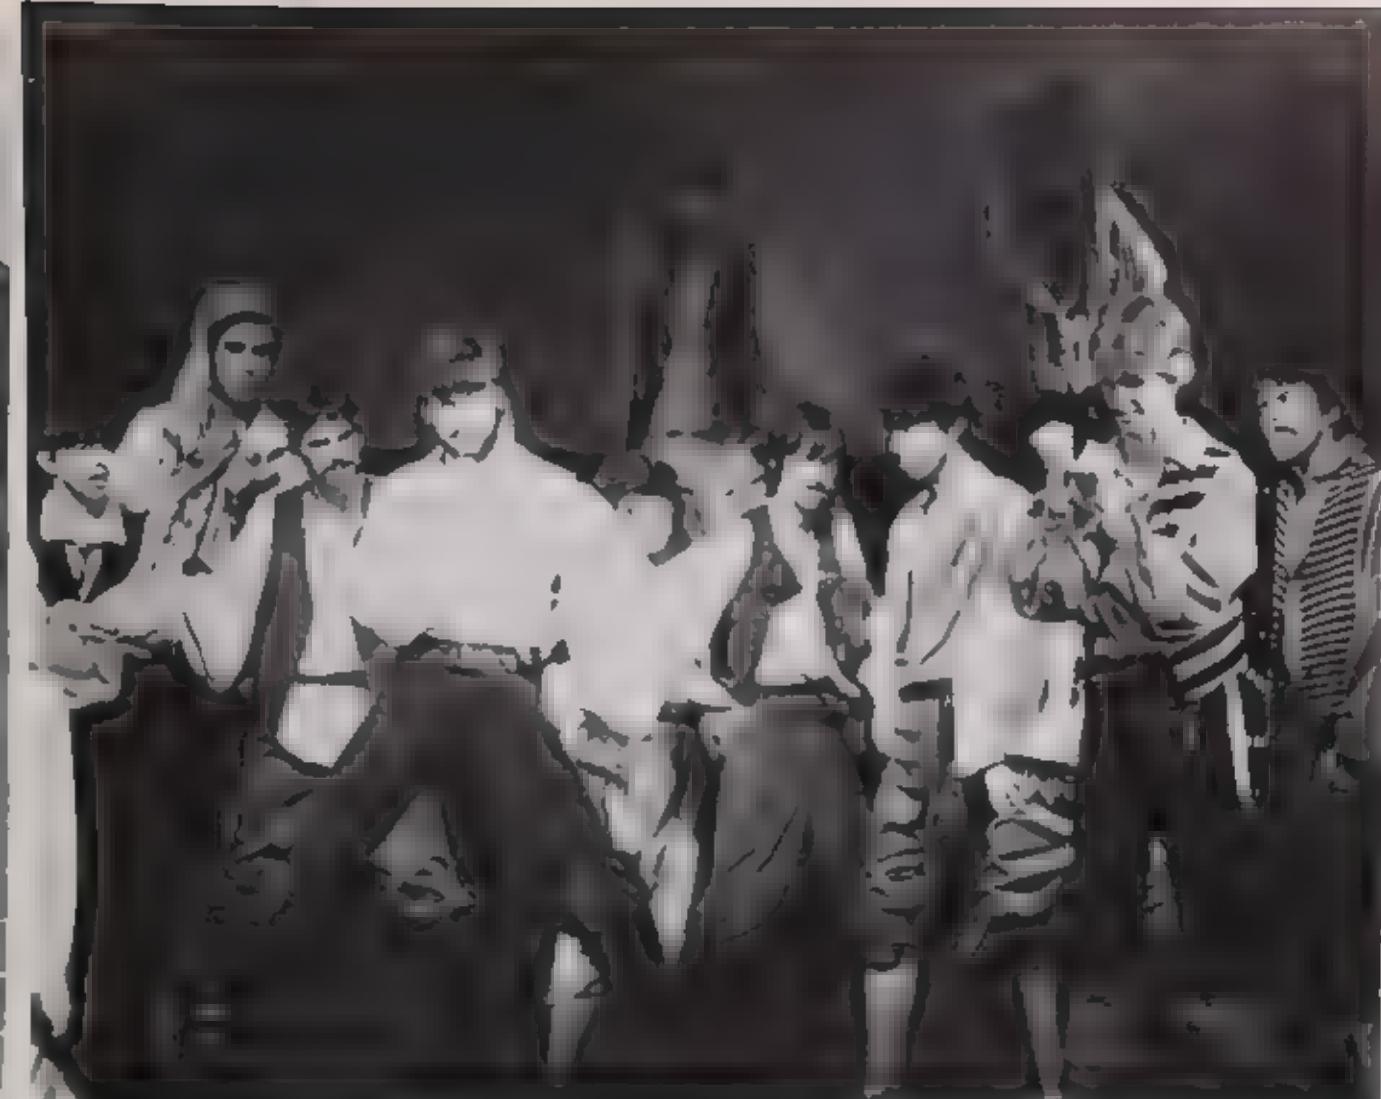

The Philectic Society again this year brought out-standing Broadway productions to the Jesuit theatre stage; namely, **Pirates of Penzance** and **West Side Story**.

The fall production of **Pirates of Penzance** was a huge dramatic success with A. A. Colon playing the roguish Pirate's King, Fred Weller as Frederick, Mark Belloni as the police sergeant, and Bob Fecas and Kathy Tomeny representing the faculty as the Major General and Ruth respectively. **Pirates** was also an eye-popping stage and set extravaganza. Thanks to the outstanding backstage crew, which the Philectic Society has because of its great support within the student body, the production was lively, raucous, and thoroughly pleasing to the audiences which packed the theatre during the fall run.

In contract with spring, the beautifully staged and tenderly executed **West Side Story** gave audiences the angelic voice of Trish Foti as Maria and a superbly mature Tony portrayed by A.A. Colon. Fred Weller as Riff, Ron Drez as Bernardo, Herb Sayas as Chino, and Ty Wilson as Arab were fantastic. Also, Mr. Fecas, Dr. Spitzfaden, and Mr. Gravois as Doc, the Police Lieutenant, and Sergeant Krupke respectively were perfect for their parts. Donna Kitchen was a show-stopping Anita, and Lisa Colon a delight as Anybodys. Mr. Sonny Borey, director of the Phis for the last fourteen years, has had another outstanding year and has once again proved that the Philectic Society at Jesuit High School stands out as one of the finest drama ensembles in the city.

The Jesuit Photography Club is open to any student who has access to a 35mm camera and who has the desire to learn about photography. A fully equipped black and white darkroom, located in the graphics area of the Resource Center, is at club members' disposal.

The club's goal is to educate photographers in the fundamental technical and artistic aspects of black and white photography. Each year, many "graduates" of the club become staff photographers for the yearbook and the **Jayson**. The club members exhibit their work at the yearly open house in the fall and in the Resource Center throughout the year.

# WJHS

WJHS is the Jesuit High School closed circuit color television network and radio system under the supervision of Mr. Matt Larkin. Various classrooms in the school are equipped with color television monitors which allow students to view any pre-recorded or live material from the television studio. The studio itself is equipped with two color cameras, a control unit capable of switching and special effects, a complete editing system, and a number of video cassette recorders. The radio station gives students the opportunity to gain experience in the different areas of radio broadcast. This studio also unites the entire school as it also doubles as the center for morning announcements. Seniors can further their knowledge and experience in the broadcast field by taking advantage of various courses. Filmmaking, Advertising, Mass Media Persuasion, and Radio-TV Production are offered on an elective basis. Jesuit High School is proud to offer such modern facilities to aid the education of future students.

# Quiz Bowl

Varsity Quiz Bowl is an academic competition which involves the skills of speed, memory, quick recall, and a certain amount of luck. Over the years the competition has increased. Jesuit High School traditionally has a highly competitive team and has accumulated an impressive record.

Under the leadership of G. Gernon Brown III, the 1982-1983 Jesuit Varsity Quiz Bowl team has not tarnished Jesuit's fine history of success in Quiz Bowl. With an all-senior line of Gregory Ernst, Daniel Lopes, David Howell, Captain John Ecuyer, and alternate John Wyka, the 1982-1983 team reached the quarterfinal round of this academic tournament. This year's team did not depend on any one person. The contributions of each player helped to make this year a success.

Next year will most certainly be another year of success. The JV Quiz Bowl team also has done quite well in competition and should provide a nucleus for the future Varsity Quiz Bowl teams of Jesuit.

# Choir

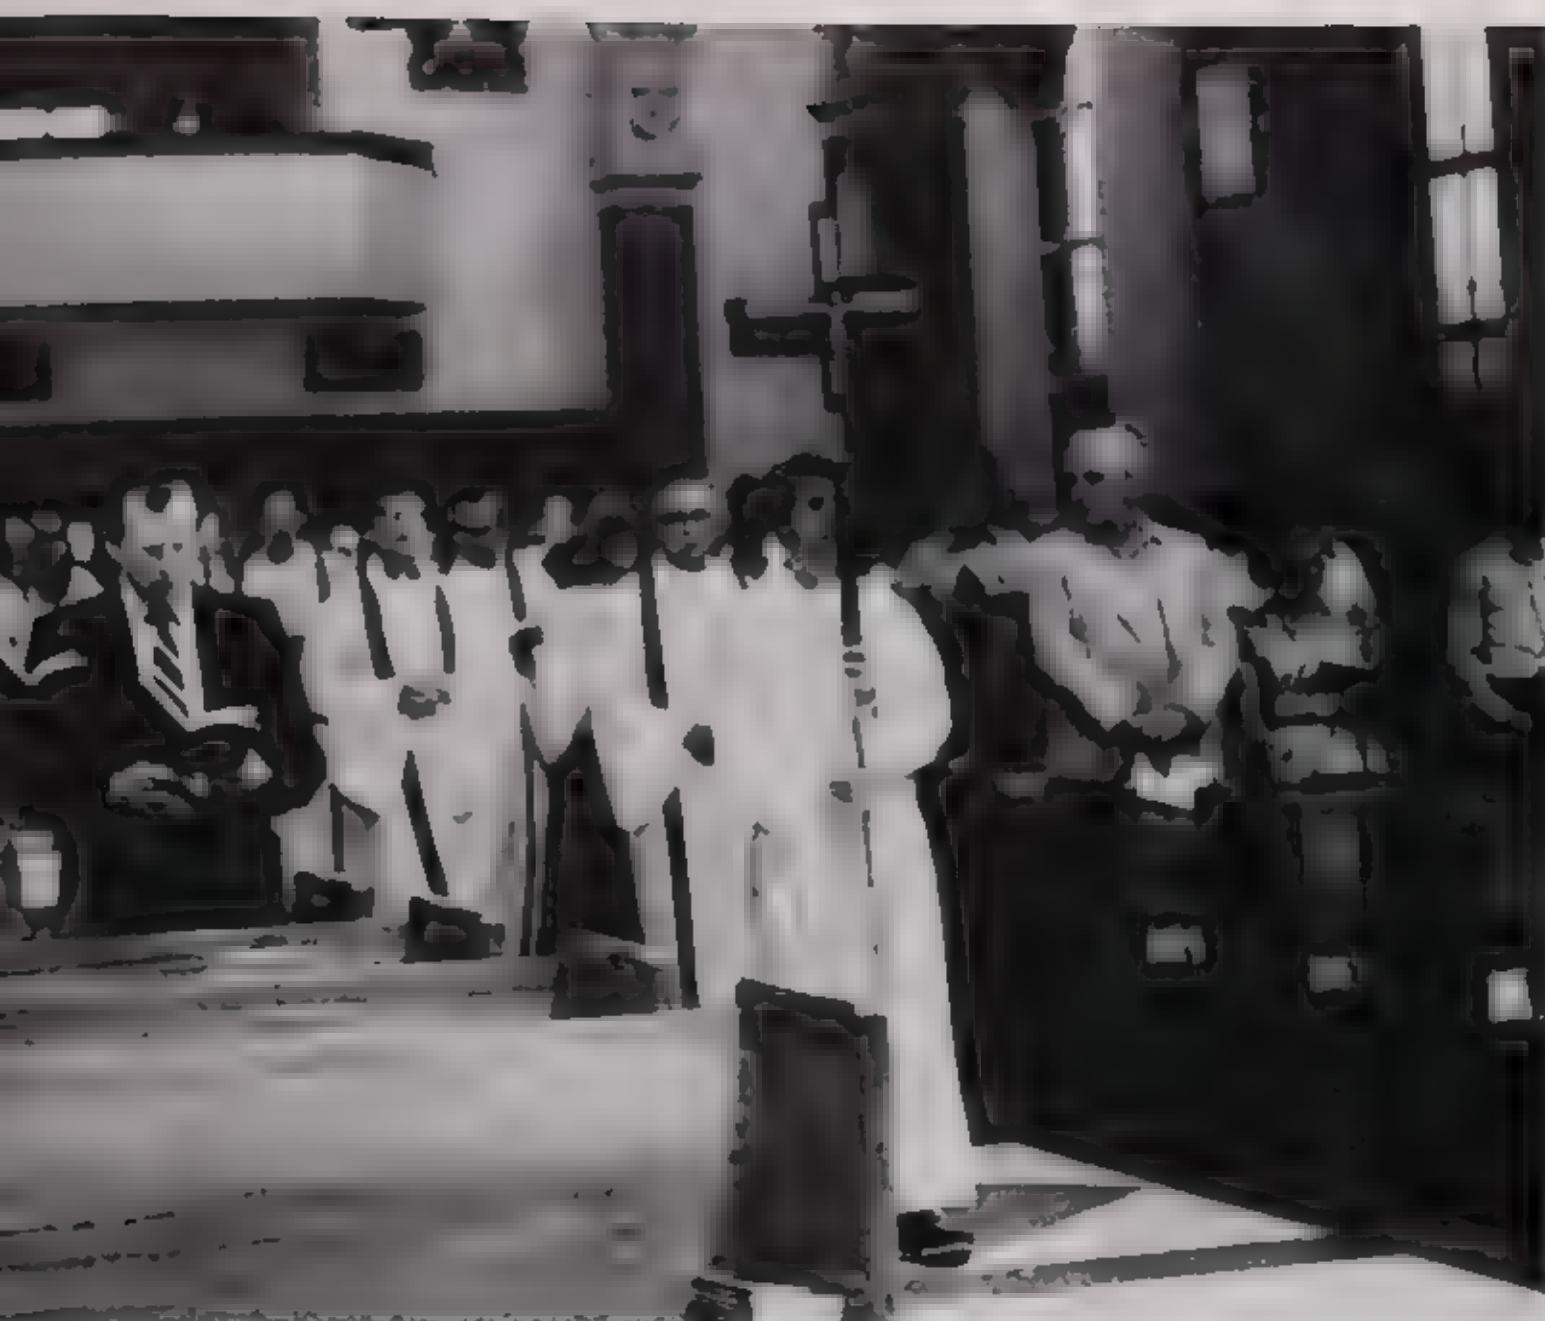

A group of Jesuit students and faculty members spends many hours each month practicing liturgical songs with the purpose of boosting the congregational singing at our Masses. Their purpose as a song group is to lead the student body rather than to bring attention to themselves. This group of musicians has made a significant contribution to the spiritual life of the school, and their attempt to expose the school to different types of liturgical music has given us a broader appreciation of our religious tradition.

One of the most important things we do as a community is our worship and prayer together. At least once a month, Jesuit students, faculty, and staff gather in the Chapel of the North American Martyrs for a Eucharistic celebration. In these celebrations, everyone has a part — celebrant, server, singer, reader, color guard — each role played by members of the Jesuit High School community. We function almost like a parish of our own — a group of people with a common identity and goal, coming together to thank Our Lord.

Gathering together as a community to worship and pray is a vital part of Jesuit life. As a group the students, teachers, and staff of Jesuit High School meet once a month to celebrate Mass in the Chapel of the North American Martyrs. These celebrations highlight the fact that Jesuit is a collection of people with a common purpose — to further the love and faith in Our Lord. And each member — the celebrant, readers, servers, singers, and color guard — plays a vital role in these celebrations. Indeed, from the Mass of the Holy Spirit in September until the Baccalaureate Mass in May, this spirit of cooperation resounds throughout the chapel. The reverence and spirit emphasized in the liturgies aids Jesuit High School in continuing its dedication to the presence of the Risen Lord in the world.

# ROTC

The mission of Jesuit's Marine Corps Junior Officer Training Corps is to develop informed and responsible citizens, to promote an understanding of basic elements of the military, and to help form habits of self-discipline. With these principles in mind, the Jesuit MCJROTC has continued to provide outstanding leadership and service for the Jesuit High School community.

The 1982-83 school year saw Cadet Captain David Howell as the JROTC commanding officer. This year's company participated in many activities. It provided ushers for the bazaar auction and the plays. Thirty members attended a trip to Camp Pendleton in California where they were subjected to many of the rigors of the military. The Drill Team and the Color Guard also provided numerous performances culminating with their performance at the Jesuit MCJROTC Change of Command in May. Therefore, it can be seen that the JROTC company was very active in the past year and has lived up to its past standards of excellence.

The 1982-83 school year was expected to be a banner year for the Student Council, and a banner year it was. Under the leadership of President Greg Ernst, Vice-President Steve Tonguis, Secretary Steve Roppolo, Treasurer Brian Morse, Moderator Fr. Wayne Roca, S.J., and Assistant Moderator David Wright, the Student Council helped create a comfortable atmosphere for the students and faculty of the Jesuit community.

The Council had set several goals at the beginning of the year, and it has succeeded in meeting a majority of these goals. One of these goals was to be financially stable; and because of the success of the projects that the Student Council produced, money that was made could be placed in a special scholarship fund.

If it could be said that the Student Council specialized in any one area, that area would have to be super activities for the students. Remember dressing in that wild get-up for the Rock-Roll-and-Remember Dance? No one could forget Homecoming Week and all its activities, including the dance at the Hyatt Regency Hotel. All the activities that the Student Council produced helped give the students and faculty members that needed release from the pressures and worries of everyday life.

The Council was also looking out for the students' best interests. A main priority of the Student Council was to help end the problem of security around the school.

This year, the Student Council excelled not only here at Jesuit, but it also proved a significant leader of the area student councils as well. At the Greater New Orleans Association of Student Councils' workshop at Camp Abbey, six Jesuit council members served as junior counselors and ten as delegates. Jesuit was also honored by being elected President of the Association.

Overall, the Student Council did a great job of combining service and leadership. However, these leaders could not have done the job without the help and advice of Fr. Roca and Mr. Wright. They both were the important stabilizing forces in the Council. They are responsible for the success of the Student Council this year.

# National Merit

Each year Juniors compete on a national level by taking the Preliminary Scholastic Aptitude Test. Semifinalists are those juniors scoring an established grade level on the test. Finalists in the competition are then chosen by their performance on the Scholastic Aptitude Test and their continuing excellence throughout their senior year of high school. In this past year's competition, six Jesuit seniors were chosen Finalists. Many of these men will go on to receive scholarships as a result of their outstanding academic performance.

## JUNIOR VARSITY DISTRICT XI RUNNERUP

The Varsity Baseball team of 1983 was a team full of pride. Led by Seniors Mike Gunaldo, Danny Schellhaas, Lance Engolia, and Rob Elkins, the Jays completed a successful winning season.

After a good pre-district series of 5-3, the Jays were eagerly looking forward to the district opener against Chalmette. Jesuit easily beat Chalmette 11-4 behind tremendous hitting by Lance Engolia and Mike Gunaldo. Jesuit met defeat in the second game against De La Salle 9-1. In the next game, against Shaw, the Jays saw a 3-0 lead turn into a 5-3 loss, with all of Shaw's runs being scored in the bottom of the last inning. The following week, against Holy Cross, the Jays suffered a tough loss despite brilliant 16 strike-out pitching by Sophomore Glen Leaveau. In the fifth game, against Brother Martin, newcomer Paul Murphy pitched a good game, winning 6-5. Mickey Parenton hit a two-run blast in the last inning to win it for the Jays. Against St Augustine, another pitcher, Senior David Gaines, also pitched an excellent game, giving the Jays a 7-5 win.

In the first round trial against Rummel, the Jays suffered yet another tough loss, losing the game in the last inning on a grand slam homerun. Even though the Jays were 2-5 in the first round, they were anxiously awaiting the start of the next round, looking for a second round championship.

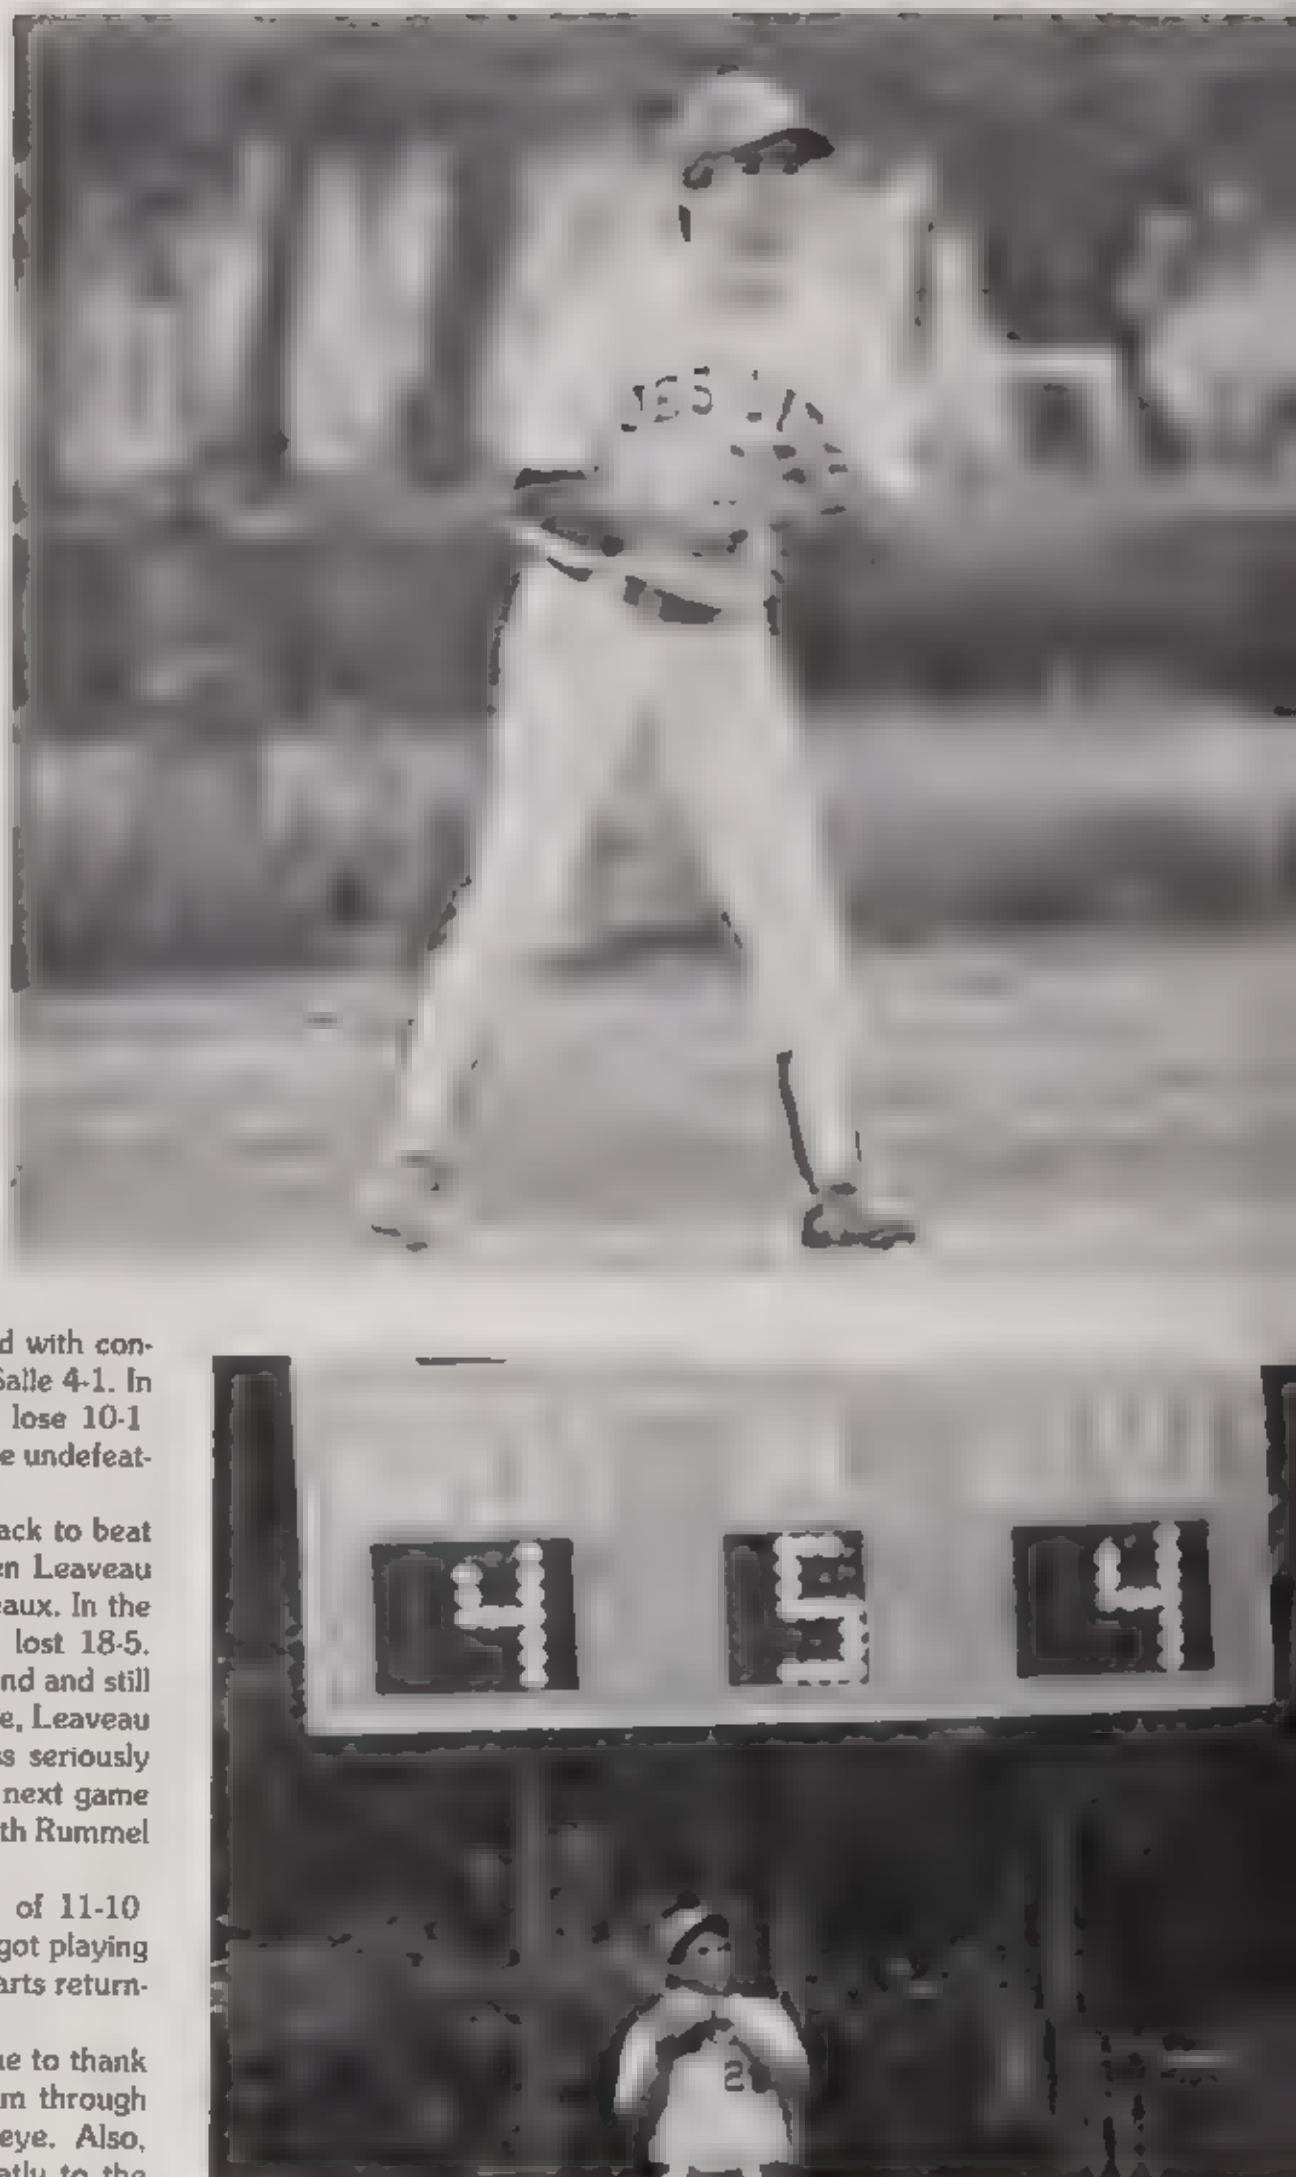

The Blue Jays opened up the second round with consecutive wins over Chalmette 8-3 and De La Salle 4-1. In the next game, Jesuit took on Shaw only to lose 10-1. This was a tough defeat in that both teams were undefeated going into the game.

Despite the loss to Shaw, Jesuit bounced back to beat Holy Cross 2-1 behind strong pitching by Glen Leaveau and big hits by First Baseman Clifford Robicheaux. In the next game, against Brother Martin, the Jays lost 18-5. After this, the Jays were 3-2 in the second round and still looking for a playoff spot. Against St. Augustine, Leaveau pitched 12 innings, only to lose 8-7. This loss seriously dampened hopes for a post-season spot. The next game against Rummel also went into extra innings, with Rummel squeaking by Jesuit 3-2.

The Jays ended up with a winning record of 11-10. During the course of the season, many people got playing experience to help them next year. With six starts returning, next year's Jays should be even better.

The Jays of 1983 would like to take this time to thank head Coach Harry Nunez who guided the team through the season with a wise and understanding eye. Also, Assistant Coach Jack Hebert contributed greatly to the team, improving each person's athletic ability and the team's spirit.

The Junior Varsity baseball team of 1983 was a successful team. The overall record was 16-3-2, and the best overall district record of 9-2-1. Mark Abadie led the team in hitting with a .467 batting average, while Scott Senner had 28 stolen bases. Kenny Adolph led the team with 21 RBI's

In the first round, the Jays lost to Chalmette 3-2. The Jays tied Holy Cross 6-6, leaving the team with a record of 4-1-1 in the first round

In the second round, the Jays' only loss was to Holy Cross. Kris Heigle kept the Jays on track with his triple to knock in two runs in the last inning against Brother Martin. This left the Jays with a 5-1 record for the second round and a playoff spot

Jesuit suffered a tough loss to Chalmette in the district championship with the score of 4-3

The successful season was marked with James Ellis' ERA of 1.64 and 6-0 record. Chuck Adams finished the season with a record of 7-3 and an ERA of 2.02.

The 1982-1983 Jesuit Intramural Bowling League celebrated its sixth season this year at "the alleys down the street," Mid-City Lanes. Despite a rather poor turnout of participants this year, the league salvaged eleven teams and was able to continue its program of three handicap games and one game of total pins.

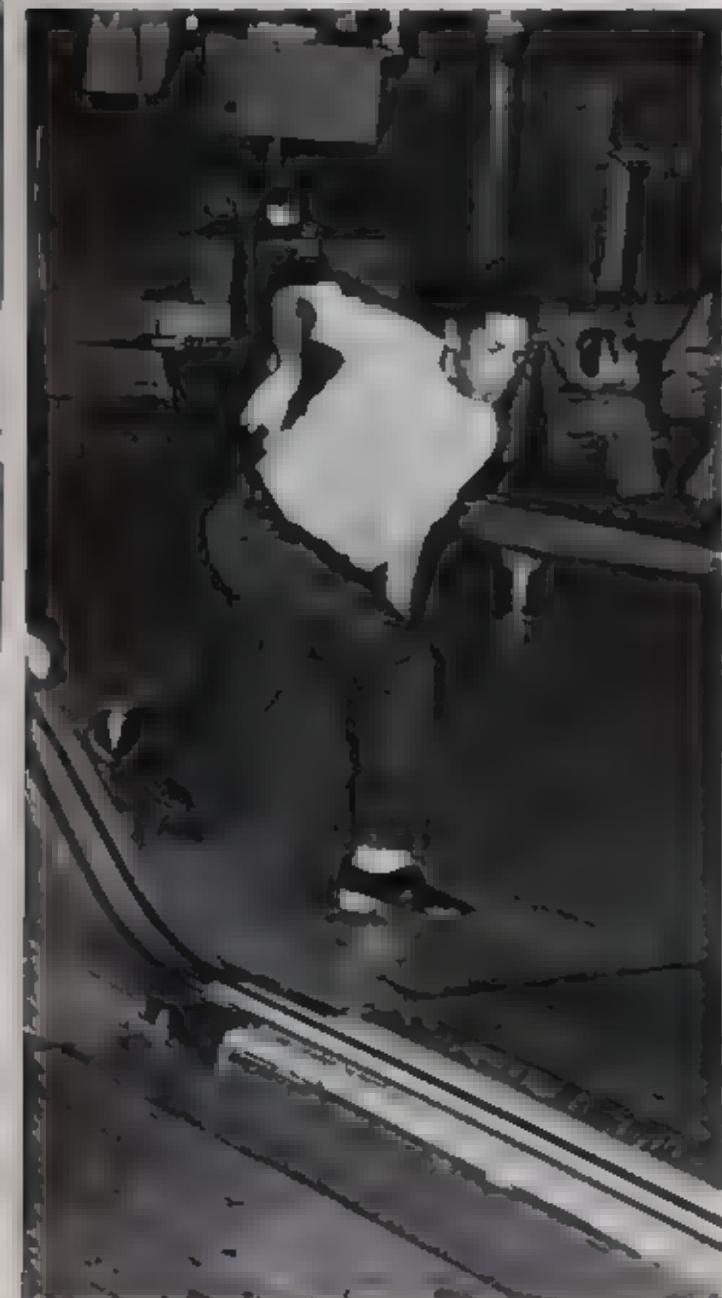

The league, which ran from August to May, consisted of two rounds, with the best two teams of each round advancing to the playoffs at the end of the year. This year's championship was won by the all-senior team, "The Doctor's Probers," consisting of John Gordon, Brett Beoubay, Dean Sherry, and Mark Castell.

The officers were as follows: President, Chris Edwards; Secretary, Dean Sherry; Treasurer, Mark Castell.

Brett Beoubay

The two New Orleans Prep League teams fared very well this year in both regular and post-season competition. The first team, known as the "Killer Jays" and consisting of Mark Castell, Dean Sherry, Roy Alston, and Chris Edwards, finished second place in the Eastbank Prep League. The second team, Jesuit #2, had five bowlers, Chris Todaro, Paul Duvoisin, Dan Senentz, Rene Eiffert, and Brian Stearns. They finished the regular season in sixth place. Both the "Killer Jays" and "Jesuit #2" went on to place in the City Championship play-offs.

## 1982 State Runner-Up

John Condy starts a run a few feet ahead of fellow team members

Jesuit's 1982 Cross-Country team was the most successful team in the twelve year history of the sport. The team won three meets, including the District XI-AAAA championship and finished runner-up in three others, including the State AAAA meet in which Jesuit finished second to Shidell.

The climax of the season came at the District meet as Jesuit won, breaking Brother Martin's string of eleven straight titles. Jesuit placed third in the top ten. John Condy won in 15:44, David Ingles finished fifth in a personal best of 16:02, and Marc Greco finished sixth in his personal best of 16:04.

A week later Jesuit finished second in the State meet. The Blue Jays placed five runners in the top 25: Condy (10th), Greco (12th), Ingles (21st), Ziegler (22nd with his best of the season 16:26), and John Ecuyer (25th in his best time of 16:33). Bryan Spraberry, although he was injured all season, played a key role as he broke the tie between Jesuit and Rummel by defeating Rummel's sixth man and giving Jesuit second place.

The team will lose seniors John Condy, Malcolm Ziegler, Bryan Spraberry, John Ecuyer, and Chris Bazin. Returning are juniors Tony Licata and David Ingles and sophomores Marc Greco. Coach Warren Bernard feels that the team has a good chance of repeating the District Championship next year.

# BASKETBALL

Barry Dennis sends the ball towards the hoop on a free throw

The 1982-83 basketball season was quite successful even though the team's record didn't show it. Under the direction of new Head Coach Jerry Hernandez, the squad was in a year of rebuilding. Trial and error with new strategies prevented the team from having a winning season.

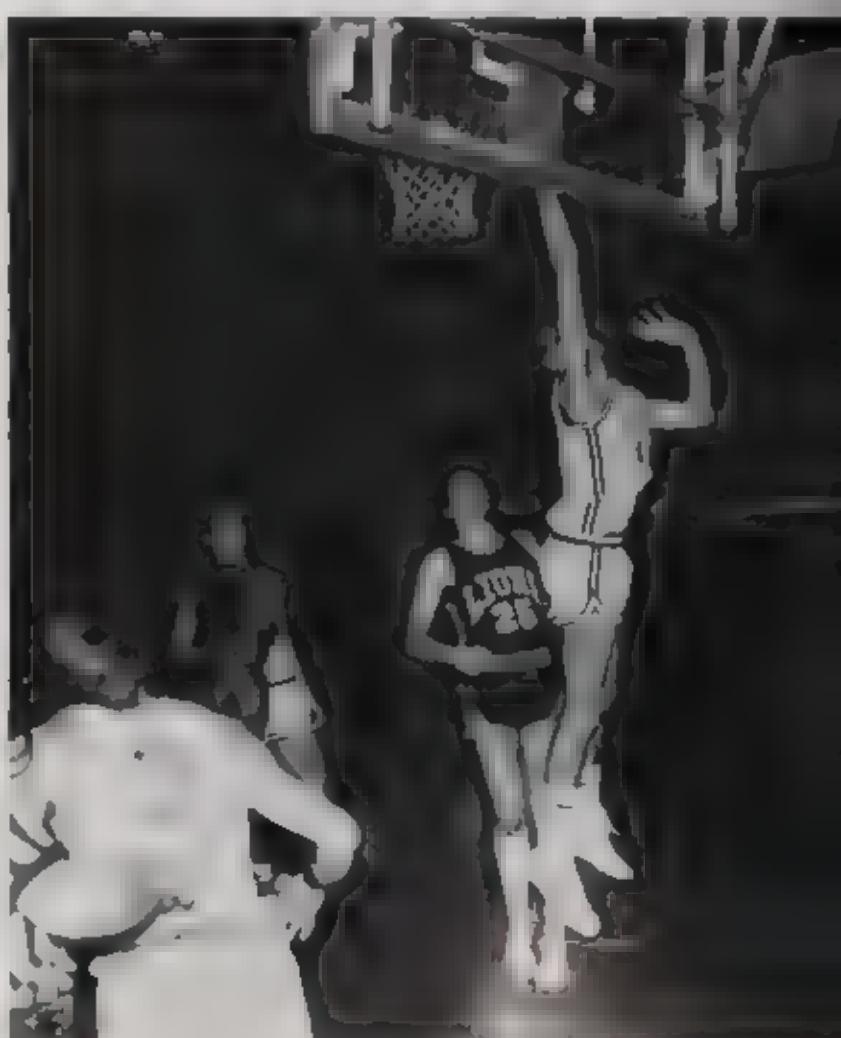

The team started off the season by signing a contract agreeing to abide by rules that restricted them from certain activities. This agreement helped to prevent the players from getting out of shape and neglecting their duties to the team. Months of preparation like this and hard practices enabled the team to get the season underway in November.

Prior to the season, the team was picked to not do very well. This was due to the fact that there were only two returning starters, and the tallest player was only 6'4". Compared to the rest of the league, the Blue Jays had an inexperienced and short team.

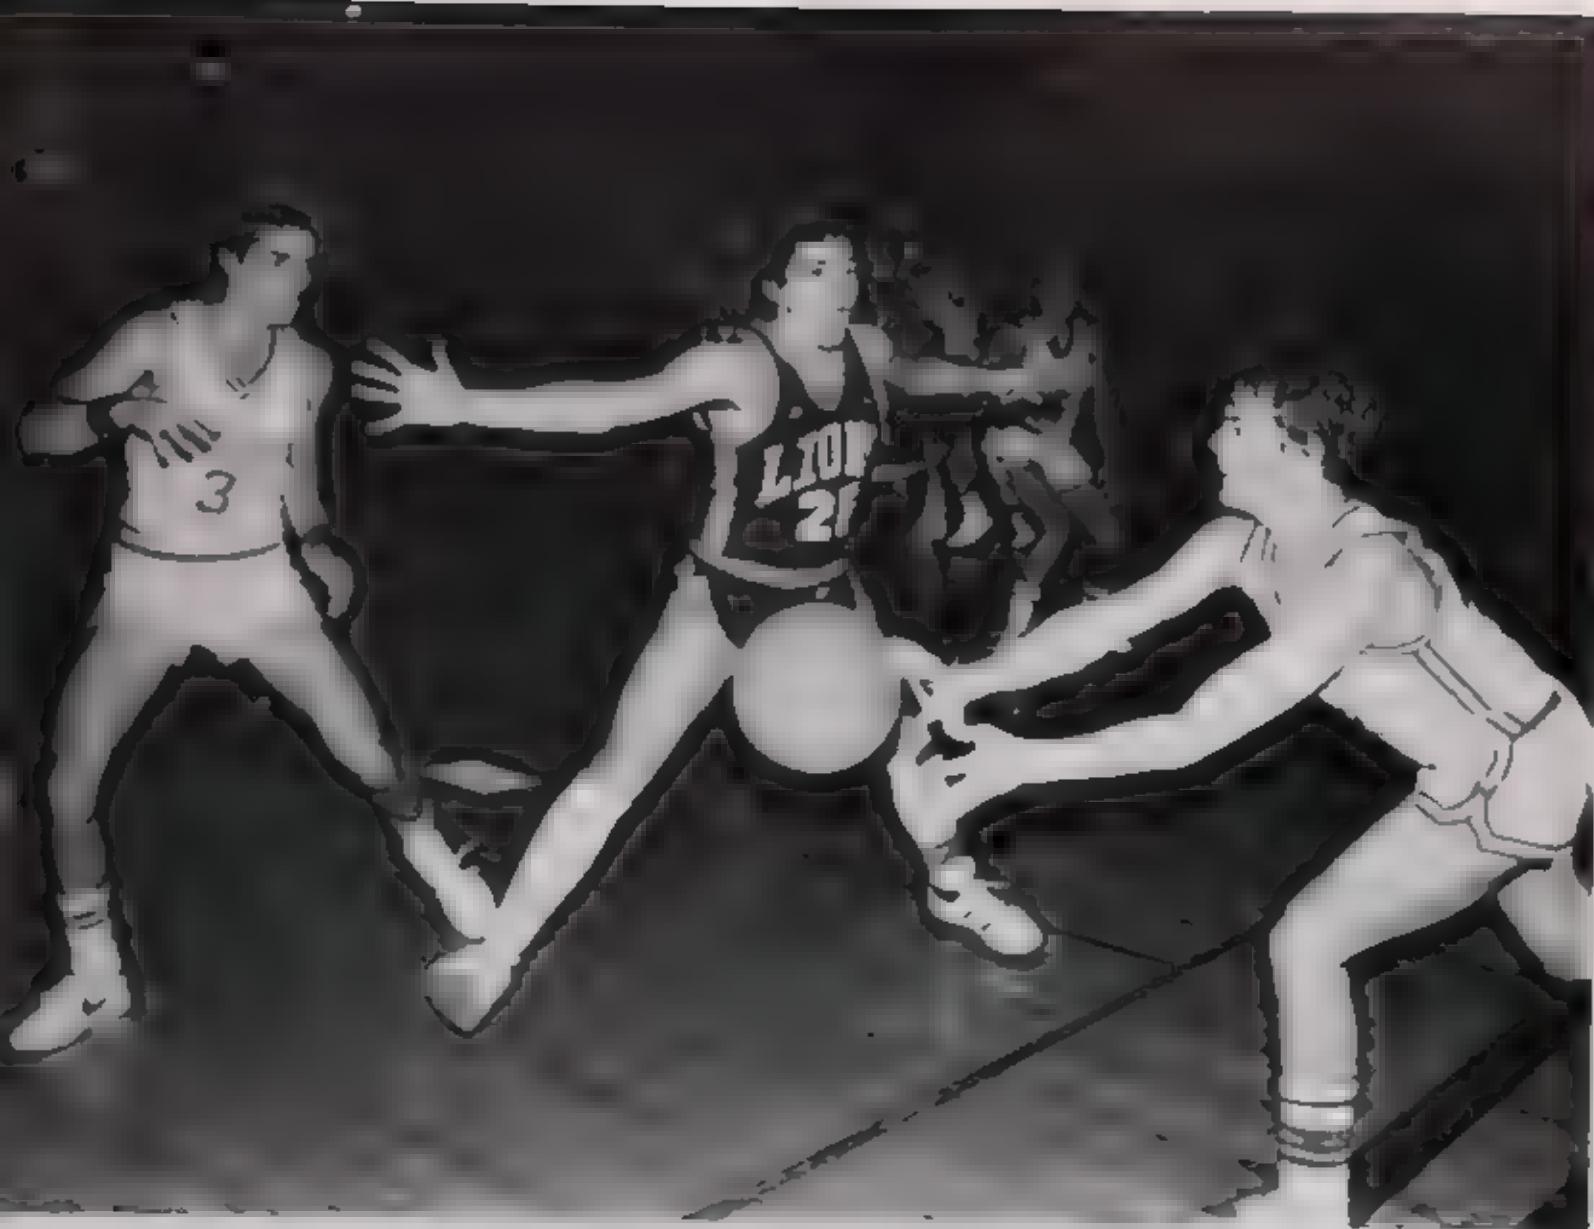

The team consisted of senior tri-captains Glen Jeansonne, Randy Romero, and John McNamara. Other seniors included John Lavie, Ron Drez, Jack Faherty, and Danny Schellhaas. Rounding off the team were juniors Barry Dennis, Barry Brechtel, and Chris Malone. The sophomores were Walt Bond, Chris Lauricella, Thomas Garnier, Anthony Harris, Kris Heigle, and Isaiah King. Glen Jeansonne was named to the WWL All-District Team.

Jesuit ended its season with 11 wins and 14 losses. But, WOW! how exciting it was!

Mickey Parenton sets the offense in motion

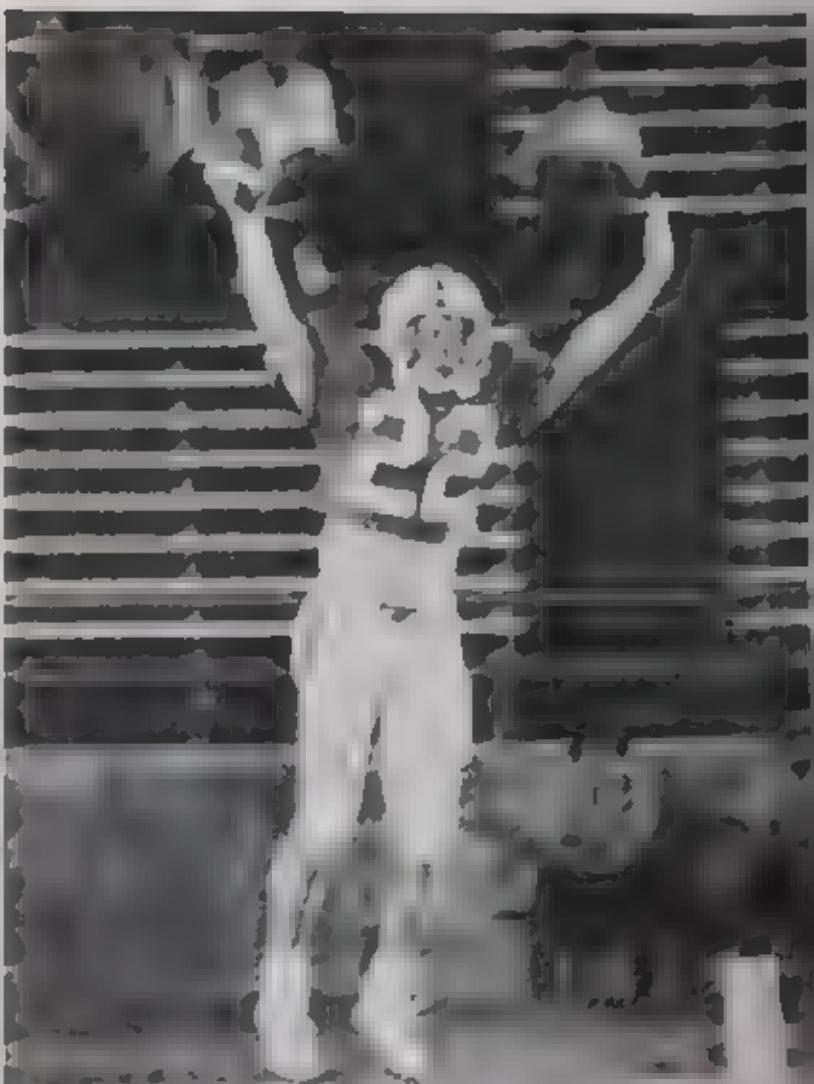

The 1982 football season was a bit of a disappointment for the team and its fans. After the 1982 XI-AAAA District Football Championship last year, there were great expectations for this season. Yet, this year, the team finished with 5 wins and 5 losses for the season and a District record of 3 wins and 4 losses.

The 1982 Jesuit High School football team displayed true Blue Jay spirit at all times. The Jays were not willing to give in to anyone. They continued to hustle all the way to the last second of the final game. The team showed extreme pride in their school.

The 1982 season was plagued with injuries. Players were helped off the field in every game. Some came back quickly, but others were out for lengthy periods of time. There seemed to be a kind of doom hanging over the Jays, but each player came back fighting as hard as before. This is expected of a team from Jesuit High School. If I had to sum up the 1982 fighting Jays in a single phrase, it would be "never say die."

Under the direction of Mr. Walt McCoy, the 1982-83 golf team proved to be the best Jesuit has seen in many years. The team began its fall play with a pre-district match with Newman. The Jays handled the Greenies with no problem, defeating them by 10 shots. Kent Finger was low man with 39.

The Jays opened up district play at City Park against Rummel. What seemed to be a close match at first turned out to be a 6-shot win for Jesuit. The Jays breezed through the fall, defeating Chalmette, Holy Cross, Brother Martin, and De La Salle. The De La Salle match was especially sweet for the Jays because it was the first time since 1974 that the Jays were able to defeat the Cavaliers. The six shot win was highlighted by Jimmy Holmes' 37 and Bill Ellis' 38, which included an eagle. The Jays won the fall and looked forward to the spring.

The Jays did well at the other outside tournaments, winning the Vanderbilt tourney and placing second at the Rummel Invitational.

The much-anticipated spring began well with victories over Chalmette and Holy Cross. On the day of the re-match with De La Salle, it was found that due to confusing circumstances a player on the team was ineligible. All matches won had to be forfeited. The Jays now knew that they couldn't win district, but they still showed plenty of fight and courage in their two shot victory over De La Salle. Bill Ellis, Steve Boh, and Jimmy Holmes were all low men with 39.

Unable to win district, the Jays looked forward to Regionals and State. At the Regional Tournament the Jays bounced back from lack-luster front nines to capture the district crown. Mike Finney, who was a driving force during district play, won the individual title with a 76. Jimmy Holmes was third with 78. Bill Ellis shot 84, and Steve Boh fired 88. Kent Finger carded 89. All-district awards were given to Mike Finney, Bill Ellis, and Jimmy Holmes after the Regional tournament.

At state, the Jays suffered a letdown after their high of winning Regionals. The team placed fifth in the state. Mike Finney and Bill Ellis will be returning next year, and the team has high hopes for another successful year.

**Front row:** Mark Bazin, Jeff Carter, Austin Lin, Ricky Trahant, Instructor Mike Urpschat **Back row:** Asst Instructor Chuck Madden, Robert Walsh, Mike Prados, Paul Comeaux, Peter Crapanzano. **Not pictured:** Mark Schulingkamp, Keith Wells, King Wells

The Jesuit Karate Team participated in two school tournaments this year. Schools competing were Jesuit, Holy Cross, De La Salle, St. Augustine, and Brother Martin. In the first tournament Jesuit placed second. Peter Crapanzano placed first in advanced belt kafa (forms), and Mike Prados took second. Mike Prados also placed third in advanced belt kumite (sparring), thus earning the MVP award. Keith Wells placed first in the beginner kumite division. The five-man sparring team consisting of Ricky Trahant, Austin Lin, Paul Comeaux, Mike Prados, and Keith Wells placed second in the team kumite competition. In the second school tournament, Ricky Trahant placed first in advanced belt kumite.

Instructor Mike Urpschat also competed in some tournaments this year. Mike, a third degree black belt and a member of the United States International Shotokan Karate Kafa and Sparring Team, placed fourth in kafa at the World Championships held in Japan last November. He also won second place in both kafa and kumite at the All-South Regional Tournament which is held annually at U N O.

Austin Lin placed first in kumite and second in the Junior color belt division of the All South. King Wells placed second in kumite in the same division.

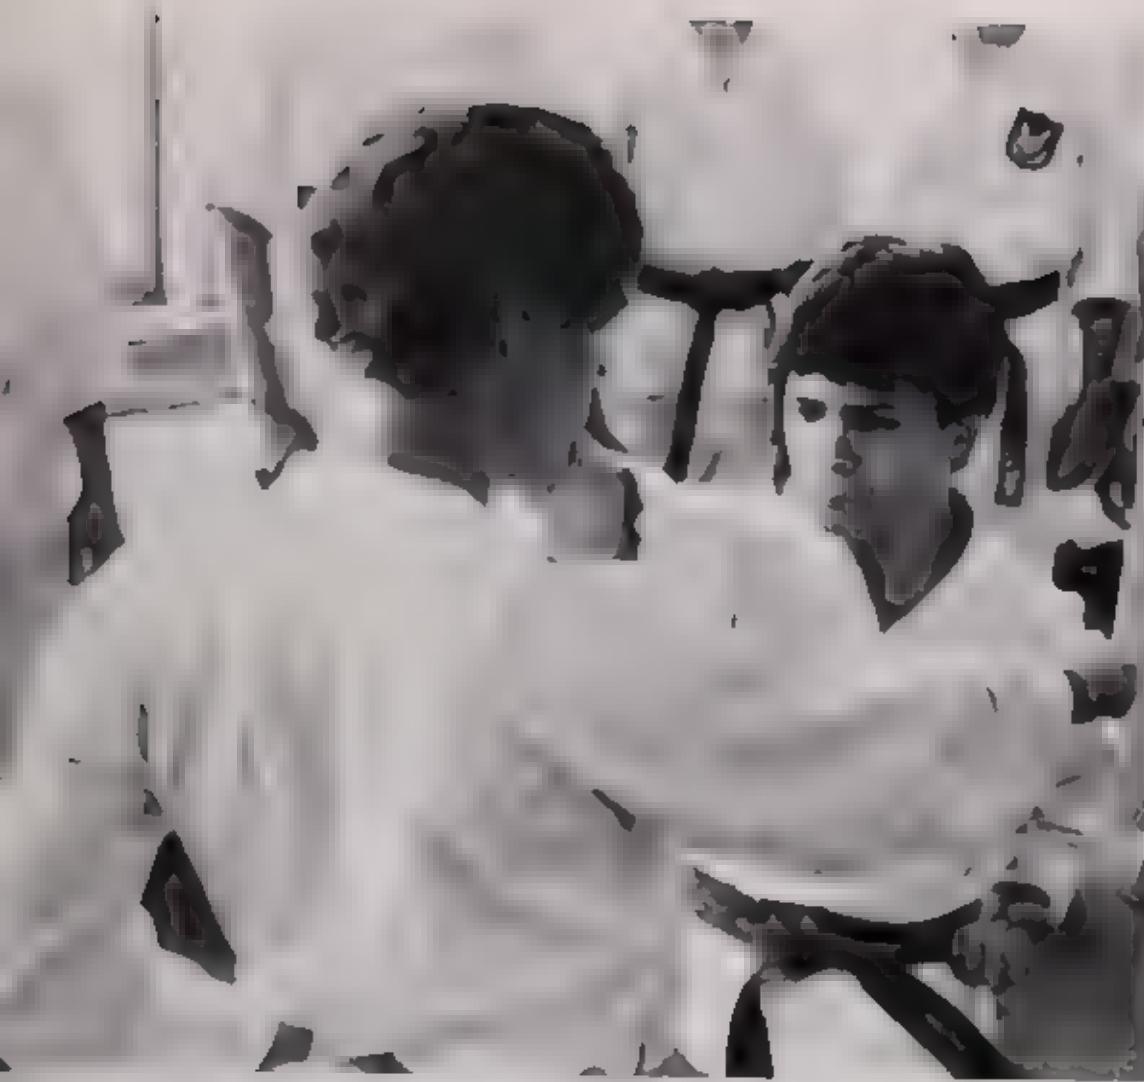

The team is losing two seniors, Robert Walsh and Mike Prados; but many members are expected to return to train under seventh degree black belt T. Mikami, head of the All South Karate Federation.

## 1982-83 VARSITY STATE RUNNERUP

## 1982-83 JUNIOR VARIETY STATE CHAMPIONS

The Jesuit soccer team had its best year ever during 1982-1983, enjoying success throughout the season. Because very few seniors were lost from last year's team, the Jays were able to return all eleven starters. Because of the great abundance of talent and because of the depth of the team, the Jays were expected to win — and win they did.

The team started practicing early in September under the supervision of head coach Michael Conway and the leadership of co-captain Malcolm Schwarzenbach, who was later joined by Steve Ryan. Soon, assistant coaches Jerome Ryan and George Les Prince and trainer Dan Sassoone came out to help the team. The Jays started the pre-district season with six consecutive shutouts. The team then took on highly ranked Warren Easton. The Jays played very well and dominated the game for a 4-1 victory over the Eagles. To end the pre-district games, the team participated in a jamboree which consisted of teams from all five districts of the state high school league. The Jays managed to win their bracket easily and advanced to the championship. The Jays managed to slide by Rummel 1-0, but in the finals they lost to last year's state champion, De La Salle. Also, this year the tradition of playing Strake Jesuit continued. The Jays were able to tie Strake 1-1. This year, the teams were more evenly matched than in past years, and the team looks forward to playing Strake next year.

After the jamboree, the Jays started district play. First, the Jays beat Brother Martin, a first year team, in an easy game. Next, in an extremely important and emotional game, the Jays defeated De La Salle 1-0, thanks to a last minute penalty kick. This game marked the beginning of the tremendous student support which was so essential to the team's performance. However, the Jays were caught unprepared two days later when they faced Rummel, and the Raiders managed to wrest a 1-0 victory from the Jays. The Jays then improved their record by gaining easy wins over Archbishop Shaw and Brother Martin. Next, the team played De La Salle and in a disappointing performance tied the Cavaliers 0-0. In the next game, which matched the Jays with the Raiders, the Jays avenged their only defeat in district play by defeating the Raiders 1-0 on an exciting score made with only seconds left. The Jays closed out the season with a 2-0 victory over the Shaw Eagles. Thus, the Jays tied Rummel for first place in district, ending up with a 6-1-1 record in district play and a berth in the state playoffs.

The Jay's post-district season started with a 3-0 victory over O.P. Walker, thus moving the Jays into the quarter finals. The team's next opponent was West Jefferson, a first year team. In a very violent game, the Jays scored the only goal in the first overtime period to win 1-0. This victory advanced the Jays to the semi-finals, where they faced the Redeemer Rams. Although the team controlled the entire game, they scored only one goal. However, this goal was all the Jays needed to win the game 1-0. Finally, the Jays squared off against the Warren Easton Eagles for the state soccer crown. The teams were evenly matched, and when regulation time was over, the score was tied at 0-0. In overtime, however, the Eagles managed to score; and

the Jays were not able to score the equalizer. Therefore the team was forced to take the state runner-up position. Overall, the Jays achieved a 23-3-2 record and scored 86 points while giving up only 14.

The future for Jesuit soccer looks very bright. Under the direction of George Les Prince, the Junior Varsity marched to the state championship with an undefeated season. This team defeated Ben Franklin 3-2 for the state title, and they hope to repeat their successes next year.

## STATE AAAA CHAMPIONS

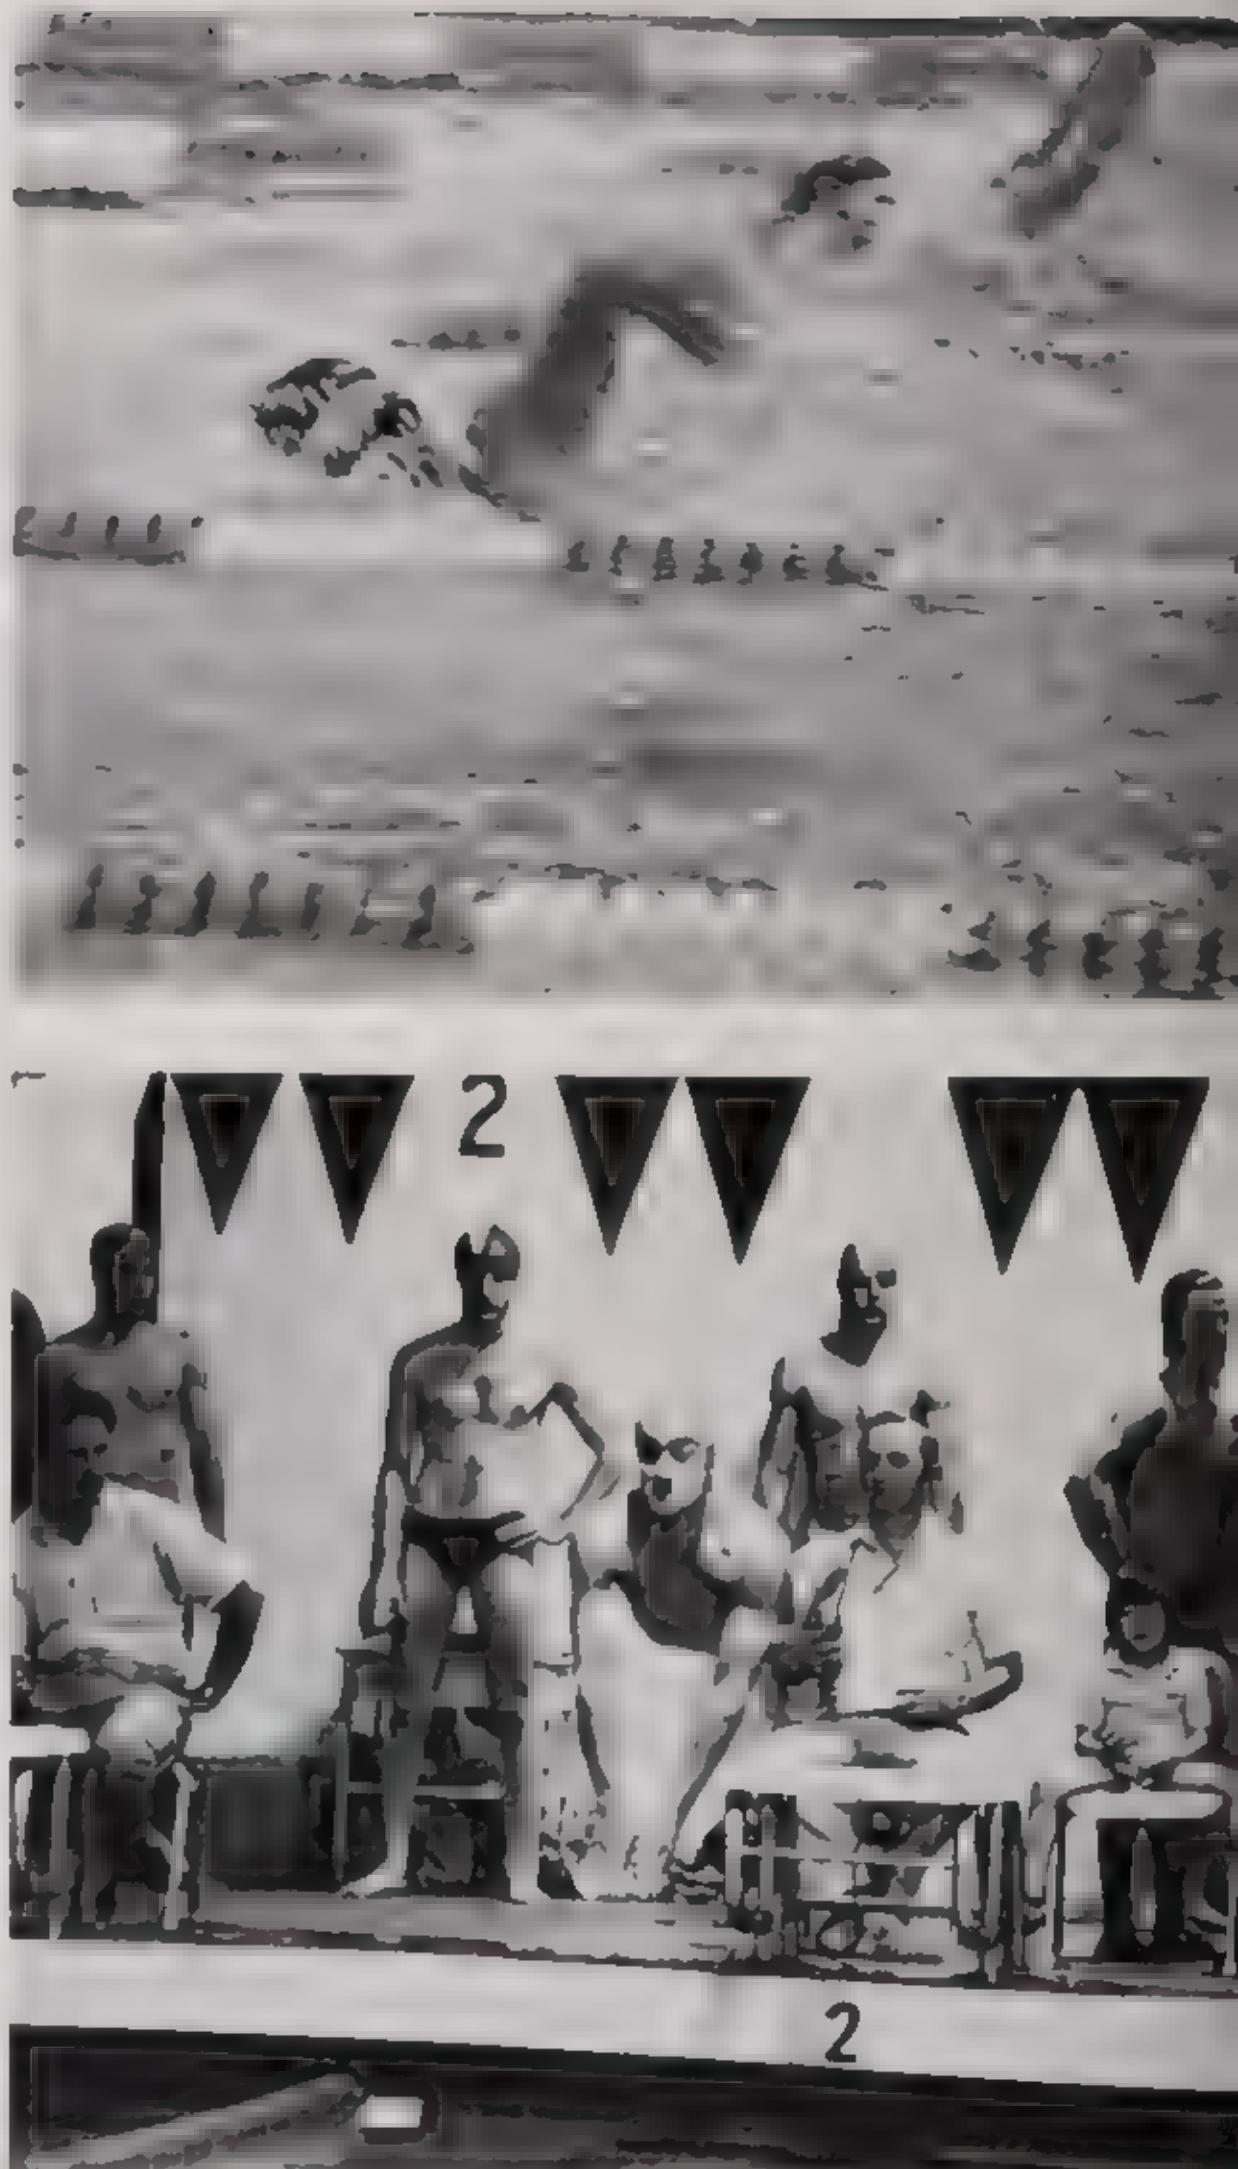

The 1982-83 Blue Jay Swim Team completed its season by proving that it was the best high school swim team in the state of Louisiana.

Led by Coach Brian Roberts, the Jays opened their season with an unexpected victory in the City Championship Relay Meet, winning two events and placing second in five other races.

At the completion of the dual meet competition for the season, the Blue Jays remained undefeated, having beaten each of its opponents quite handily going into the City Championship Meet. Lack of depth proved to be their downfall, however, and the Jays placed second in the City Meet.

Undaunted by this set-back, the Blue Jays bounced back and attained their ultimate goal by winning the Louisiana State High School Meet. Hard work, dedication, and excellent effort resulted in the Jays winning the state title. Several swimmers performed exceptionally well in this meet and deserve special mention. They are David Bryan, who placed second in the 200 and 500 yard free style races, and Richard Strauss placing third in the 500. Roberto Rodriguez finished second in the 100 yard Breast, while Mike Blazek took a third in the 100 yard Butterfly. The 400 yard free style relay team, composed of Richard Slattery, Sam Juneau, David Bryan, and Chris Wright, took second place; and the 200 yard medley relay team went undefeated for the entire season as a result of the skills of Richard Slattery, Roberto Rodriguez, Charles Thomas, and Mike Blazek. Erik Flettrich contributed points to the team's total by placing third in the state in diving.

## 1982-83 STATE AAAA CHAMPIONS

Jay Combe plans his hit

The 1983 Blue Jay tennis team ended the most successful tennis season in Jesuit history by winning the school's first AAAA state championship. The Jay's flawless season was highlighted by a decisive win in the NOITA fall tournament, a 10 and 0 dual meet record, the southeast La. regional championship, and a runaway win at the state AAAA championships in Natchitoches.

The team's season began in November with a decisive win in the NOITA fall tournament. The Jays easily outdistanced second place Rummel despite the absence of four of the Jays top six players.

The dual meet season began with the Jays steamrolling early opponents. The Jays defeated Brother Martin, Newman, St. Martin, Country Day, Franklin, Landry, Holy Cross, and Shaw to compile an 8-0 record. The Jays next played second place De La Salle. The team claimed an 8-1 victory over the Cavaliers to set up a showdown with city co-leader Rummel. The show-down with the Raiders proved to be somewhat less than a showdown as the powerful Jays flexed their muscles to claim a 5-1 victory. Brett Schwartz, Barry Dennis, David Kessler, and John McNamara all won singles matches before Jay Combe clinched the match with a three set, 2 and  $\frac{1}{2}$  hour victory. Rummel forfeited the remaining doubles competition to avoid further embarrassment.

The next stop for Jesuit was the Southeast La. regional tournament. The Jays won by a four point margin over their nearest competitors. In singles competition, David Kessler reached the quarter finals; and Brett Schwartz claimed the regional title with a tough three set match in the finals. The doubles team of Jay Combe and Mike McNamara reached the quarter finals, and the doubles combo of John McNamara and Barry Dennis reached the finals.

The final hurdle for the Jays to clear was the state championship. The team received brilliant performances from all members and won twice as many matches as runner-up Rummel. David Kessler reached the round of sixteen in singles to pick up a point for the team. The #2 doubles team of Jay Combe and Mike McNamara played well in reaching the quarterfinals and gaining two points for the Jays. The #1 doubles team of Barry Dennis and John McNamara played their best doubles of the year to reach the finals of the tournament, and Brett Schwartz continued his dominance of the state's top singles players to claim the state singles crown.

The Jays will lose Brett Schwartz, John McNamara, and Jay Combe to graduation. The team will still be strong, however, with the return of Barry Dennis, David Kessler, Mike McNamara, Scott Ruch, Steve Russo, and Jerry Harris.

# TRACK AND FIELD

John Condy and David Ingles lead the pack

First row: George Lovecchio, Darryl Fontana, Mike Dugan, Mark McDowell, Jay Desalot, Mike Kreider, Mike DeSavo, Mike Clement, Marc Greco. Second row: Keith Landry, Chris Mendoza, Paul Toups, Charles Caplinger, Steve Juan, John Condy, Ed Hernandez, David Ingles, Malcolm Ziegler, Tony Licata, Bryan Spraberry, Coach Sorrells, Gerg Jordan, Derbigny Denis, Rudy Horvath, Jimmy Huck, James Mouses, Storey Charbonnet, Kent Miller, Todd Munch, Coach Brock, Joe Maurin, Coach Avin.

The 1983 edition of the Jesuit High School track team was a highly competitive one. Under the coaching of head coach Jeff Brock and his assistants, Coach Sorrells and Coach Avin, this year's team gained respect within District XI-AAAA.

The Jays won their first meet of the year at the Vandebilt Invitational. Throughout the year, the team was paced by its District Champions, John Condy (3200m) and Mark McDowell (long and triple jump). Condy was a consistent scorer throughout the season in the 1600m and 3200m. McDowell dominated the district in both jumps. His year was highlighted with a winning long jump of 23'9" in the Regional meet where he also won the triple jump. Condy and McDowell were the school's only state qualifiers.

The team's scoring came mainly from its senior class members, but Freshman Jimmy Huck offers Jesuit a fine future as he upset many of the older competitors with his 43+ foot triple jump in the district.

Overall, the season was a success; and with some help, the future may be brighter.

# Wrestling

The 1982-83 wrestling season was a tremendous let-down for the Jays. Although the team worked hard to regain their lost State Championship title, they could not defeat Holy Cross, who had their strongest team in 14 years.

A wrestler's ability to maintain his weight is often a determining factor in a team's overall ability to do well in competition. Some Jay wrestlers had a difficult time maintaining their weight. This showed in the over-abundance of lighter weights on the team. It wasn't until late in the season that the team decided on their best varsity line-up. This line-up was composed of Billy Vaudry (98), Keith Richards (105), David Silvestri (112), Aaron Zimmer (119), Tommy Mason (126), Timmy Lafranca (132), Stephen Aguillard (138), Evans Schmidt (145), Tommy Leonard (155), Pat Drouilhet (167), John Drouilhet (185), and Romeal David (210). Due to the team's inability to compile this lineup early in the season, it was not able to do well in the early dual meets and tournaments.

In the District XI AAAA Tourney, three Jays, Silvestri, Zimmer, and Schmidt, won first place in their divisions. Lafranca, Aguillard, Mason, and Leonard took second. Vaudry took third. The Jays did their best in this tournament placing a close second behind Brother Martin.

In the regional qualifying tournament, Zimmer and Silvestri placed first. Lafranca, Schmidt, and Leonard placed second. Overall, the team placed third in this tourney behind Holy Cross and Brother Martin.

During the week following the regional tournament, the grapplers' hopes for their goal, a state championship, were at a minimum as they were struck by a series of bad breaks. First of all, Keith Richards was knocked off the varsity line-up due to an arm injury sustained at practice. During the state tourney the team failed to advance any wrestler into the finals. As a result, it was mathematically impossible for the Jays to place greater than fourth place as a whole. Silvestri, Zimmer, Lafranca, and Aguillard placed third in their divisions. Schmidt placed fourth, while Vaudry placed fifth.

## Monday Mourning

Once a photographer caught  
by chance  
a bird fall in mid-flight —  
feat our Father daily does  
by design. We caught  
one of our own this morning:  
cradled him in awkward arms  
wet with timid tears,  
his black beak tight  
to time's bleak buffettings —  
cold claws curled among  
still bright blue feathers.

“Surrender, surrender,”  
sings the autumn wind  
whistling down the chapel aisle  
past our fragile friend's resting bough.  
“All young end in the Unbegun;  
thou shalt have no strange gods  
before Him.” Strange,  
our fellow fledgling a stranger —  
beat of his wings  
still fresh in the air

## THE TIGERS NEED BLUE CROSS

Athletes of all ages compete in the Blue Jay 5 km run. One of the busiest booths at the annual bazaar, the contest, egg booth provides an unusual way to use eggs. Enthusiastic seniors, Dean Sherri and Chris Todaro, practice a new form of greeting—the high five. Students pile on during the pep rally for the Holy Cross game.

# B Half a century of Excellence

Since 1919, Boudreaux's has been a leader in the jewelry industry. The Boudreaux's name is synonymous with quality and craftsmanship.

We have grown to be a well-known and respected name in the jewelry industry. We are now the largest independent jeweler in the state of Louisiana.

Our success is based on a tradition of quality, craftsmanship, and customer service.

Thank you for your continued support.

## Jewelry Appraisals

The Boudreaux's Jewelry Appraisal Service is a valuable tool for insurance companies, banks, and individuals.

## Gemprint

The most accurate method of identifying and grading diamonds and gemstones is the Gemprint. It is a permanent record of your diamond's characteristics.

## One Family Operated

The Boudreaux's family has been in the jewelry business for over 50 years.

## Superior Creativity

The Boudreaux's family has been in the jewelry business for over 50 years.

## Thank You, New Orleans

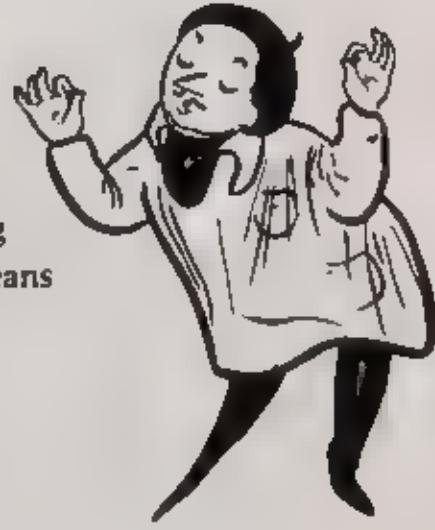

For making the last 50 years so
